Importance Of Pollution Halt Explained Here

Elimination of river and stream pollution is becoming increasingly important due to the population growth, increasing consumption of water not replaced, and continually more extensive use of chemicals to purify badly-polluted water, Granite City Rotarians are held Tuesday.

Everett T. Winter, executive vice-president of the Mississippi Valley Association, stressed that the quantity of water supply has been of vital concern, but that quality of water has become equal or even greater in importance in recent years.

Major causes of river pollution in this region are petroleum, coal, chemicals, effluent, garbage, detergents and packing house sewage. Winter said, adding that there are stringent federal anti-pollution laws which will be fully enforced as the public becomes more aware of their essential nature.

The speaker defended water resources development legislation from attacks as "hook barrel" programs, saying that water reclamation, irrigation, flood control, navigable routes, stream stabilization and pollution abatement are desirable projects. A registered Washington lobbyist, he said water issues have been tied up in controversy for many years and, in fact, are intertwined throughout human history.

Major St. Louis Project
Some industries have made remarkable strides in curbing pollution, particularly paper mills, but much remains to be done by industries and municipalities, he said. A \$100,000,000 St. Louis program is planned for the next ten years and a bond issue is to be proposed in the near future, he related.

Emphasizing that "water is everybody's business," Winter stressed that pure water is needed for public health. When raw effluent is carried along by rain water, it contains dangerous disease-laden bacteria, he noted.

He described the Mississippi River as an extremely valuable asset to the Quad-Cities and nearby communities, and said a plentiful water supply is looming larger and larger in industries' decisions on new plant locations. He was introduced by Glenn Abernethy, program chairman. President Edward Meng announced that the Rotary club will underwrite up to \$500 to assure the Coolidge junior high school Latin American rhythm ensemble of sufficient funds to make its tour of Mexico this summer. The ensemble has a \$5000 budget for the journey and the club also will purchase shades for the meeting room in the YMCA, and will retain other funds in its treasury for the time being until further suitable expenditures are agreed upon, Meng said.

Mother Of Venice Mayor Undergoes Surgery

Mrs. Catherine Lee, mother of Venice Mayor John E. Lee, is recuperating at Christian Welfare Hospital, East St. Louis, from abdominal surgery which she underwent Monday.

Her condition today is good, Dr. Lee said.

In the pursuit of happiness don't forget to take time out to enjoy the beauties of nature.

Treatment Plant

(Continued from Page 1)

city south of 21st street. New sewers and ditches would divert the storm water North of 21st street to Horseshoe Lake.

Advantage On Two Systems

With two separate systems, Granite Cityans could forget to put basement drain plugs in place even during a heavy down-pour. The storm water would run off in sewers completed disconnected from the sanitary lines. With the present combined system of sanitary sewage and storm water going through the same pipes, overloaded sewers during a storm cause backflow into basements.

The levee district with a supplemental program has offered to build Granite City a smaller treatment plant costing \$8,047,000, provided the city would construct interceptor sewers to separate storm water and sanitary sewage. The \$14,000,000 cost of interceptor sewers would be paid by the city and the net results would be negligible without the separate City lines for which the levee district fails to make provision.

Loss of Control Federal Funds
Also under this system, the city would lose control of the treatment plant, with the levee district in full charge of its operation. Granite City would lose all credit for \$2 for \$1 federal urban renewal funds which could be used for redevelopment of blighted areas.

The operational cost of the smaller treatment plant designed by the city would be \$70,000 a year less, according to engineers. The \$2,937,000 sewage plant under the levee district program would cost an estimated \$203,900 a year to operate, compared to an estimated \$131,825 for the city plant.

The levee district design calls for a treatment plant with a maximum capacity of 24,400,000 gallons daily, which is more than double the city's smaller plant, designed for 11,500,000 gallon capacity with the separation of sanitary sewage and storm water.

State Requirement
The state Sanitary Water Board requires 45% removal of suspended solids, and the city treatment plant is planned to meet that specification with ease.

The five-fold program of the citizens' committee program calls for drainage sewers and ditches costing \$7,300,000; widening, paving and fencing the Nemois storm water drainage ditch at a cost of \$1,835,000; more than double the speed of storm water runoff; \$100,000 for sanitary sewers in the North Granite area and along Nevada avenue, where there are no such facilities at present; and the \$1,225,000 for the sewage treatment plant and \$1,600,000 for interceptor sewers.

Bixler To Head Mitchell Park Athletic Group

Robert Bixler will be installed as president of the Mitchell Park and Athletic Association on Tuesday. He succeeds Wendell Corey.

Other new officers are Marion Parks, vice-president; A. A. Brecker, secretary-treasurer; and Corey, treasurer.

The officers will be installed in a regular meeting Tuesday at the Mitchell Presbyterian Church.

RED CROSS DINNER and organizational meeting, with only a portion of those attending shown here. Speaker at the annual event was Laurence S. Neville, administrative director of the St. Louis regional blood program. Floyd T. Mitchell was re-elected chairman of the Tri-City Chapter at the meeting, which was held at the Smorgasbord restaurant.

GC Steel Hopeful Of Increase In Orders

Granite City Steel Co. officials today expressed hope of an increase in steel orders in the near future that will result in a recall of about 700 workers who have been given layoffs in recent weeks.

They point out, however, that July normally is a slow month in the steel industry that is used by some firms for shutdowns for vacations.

Four of the local plant's seven open hearth furnaces were in operation yesterday, and five were scheduled for today.

A spokesman for the company said about 4500 persons are working at the plant and at the present time about 250 employees are on regular vacations.

Amateur chefs of the area have a chance to demonstrate their culinary skill Saturday, June 30, in the downtown Granite City Shopping Center. A contest will be held with prizes for the best barbecue sauces and for the best dressed chef.

Cookout time is from 1 to 4 p.m. First prize for barbecue sauce is a bond of \$50 denomination. Second prize is a chaise longue and chair and third prize a chaise longue. The prize for the best dressed chef is a \$25 bond. The event is sponsored by the Granite City Downtown Shopping Center.

An entry blank appears elsewhere in the paper. The first 25 applicants to bring entry blanks to the Press-Record office at 517 Delmar avenue will be the contestants. A barbecue grill with spit, valued at \$15.95, will be provided free to each contestant, along with a supply of charcoal.

No entries will be received after 5 p.m. Monday, June 23. A contestant must provide the ingredients of his barbecue sauce. The shopping center retailers will provide free cola and hot dogs. Contestants must agree to remain on hand during the cookout hours to barbecue for dogs and serve them for visitors to sample. A contestant also must agree to take part in the best dressed chef contest. Secret recipes need not be divulged by the winning chefs. A board of judges will be announced soon. The decisions of the judges on winners will be final.

'Knight of Year' To Be Named Tonight

The winner of the 1961-62 "Knight of the Year" award is to be announced during a banquet meeting of Knights of Columbus Council 1088 at 1088 E. C. home, 21st street and Edison avenue, it was announced today by Marvin Boyer, public relations chairman.

Identity of the recipient will not be disclosed until the time of the presentation by Grand Knight Louis Bleasie sr., who was the recipient for 1960-61. The award is given to the member recognized as contributing the most toward the success of the council's activities.

Also during the banquet, a color movie of the K of C county May Day parade held here May 6, will be shown. The film is narrated by Boyer.

Tavern Suspensions Delayed By State

Pending appeals, five-day suspensions of state liquor licenses for four local area taverns have been postponed and were not started this week as had been ruled earlier by the state liquor commission.

The taverns are remaining open. They are Miss Mae's at 1639 Edwardsville road; J&E tavern, 2542 Highway 67a; Johnnie's tavern, 1500 Fourth street; and Jew's Hideaway, 925 Grand avenue.

At GAA Leadership Camp

Charlotte Crispin, president-elect, and Sally Baumberger, vice-president-elect of the Girls Athletic Association of Granite City high school, are at Williams Bay, Wis., this week attending a GAA leadership camp sponsored by the Illinois High School Association. They will return home Sunday.

19th Street Concrete Pouring To End Today

Concrete pouring is to be completed today at the 19th and State streets intersection with the complete resurfacing of 19th street between State street and Cleveland blvd. scheduled for Monday morning, it was learned today from the contractor, G. If Sternberg.

However, the intersections at both Delmar and Edison avenues are scheduled to be repaved tomorrow to permit cross traffic, and the block between Delmar and Edison avenues also will be open. The contractor explained three days "curing" are required after concrete is poured.

Work on the \$13,340 trolley track removal project started June 4, and the work also included installation of new drainage lines and catchbasins at the 19th and State streets intersection. Downtown retailers advanced the money to the city for the project.

Cars Damaged In Crash

A collision at Sixth street and Madison avenue, Madison, Monday afternoon damaged the front of the northbound car of Napoleon B. Moore Jr., and the right front of the eastbound car of Charles Wright. Both drivers reside in Brooklyn.

Trust Bank Increases Capital Funds

Announcement was made today by Ernest A. Karandjeff, president of the Granite City Trust & Savings Bank, that at a meeting of the board of directors of the bank held yesterday afternoon the surplus fund of the bank was increased from \$500,000 to \$800,000.

This increases the capital stock and surplus fund to \$1,250,000 and leaves in the undivided profits and unallocated reserve funds approximately \$750,000, making the grand total of capital funds slightly over \$2,000,000.

Karandjeff stated, "This increase was necessitated by reason of the fact that the bank now enjoys its greatest asset totals in history, and was made to meet the growing needs of our community. This action also will enable the bank to make larger loans."

"The board and staff of the bank are delighted that another milestone in great deposits and assets has been reached and optimism prevails for an even brighter future for both the bank and the community. The policy of the bank, to render dedicated service to the people of our community, is the same today as it was 52 years ago when the bank was founded, and the president of Charles Wright. Both drivers reside in Brooklyn."

Band Parents At GCNS Re-Elect Strotheide

Sidney Strotheide was re-elected as president of the Granite City high school Band Parents Association Tuesday evening as the groups met in the school cafeteria after a pot luck supper.

The supper was attended by approximately 100 persons and included the parents of students who will enter the high school band from Freshman and Coolidge junior high schools next fall.

The invocation was offered by Rev. Robert J. Baumann, pastor of St. Peter Evangelical and Reformed Church. Strotheide thanked all the committee chairman for their work in making the association a success during the past year. He asked all the prospective members to stand and introduce themselves.

A lengthy discussion was held on the band tour to New Orleans in May, and Louis E. Meek, band director, gave a brief resume of the costs, the sights and the conduct of the students, which was described as a high school in New Orleans and the hotel management about the dignified manner in which the tour was conducted and two students reported that it was an event they will never forget and that they are looking forward to the tour next year.

Ted Kawala, as chairman of the nominating committee, read a list of proposed officers, who were elected unanimously.

Strotheide was re-elected as president. W. Arthur Frey Jr. was elected as vice-president. Mrs. Carmen Tolt as treasurer. Mrs. Lillian Hefferly as recording secretary and Mrs. Ida Ferguson as corresponding secretary. Louis Van and Elmer Jackson were elected to the board of directors.

After the meeting, color slides of the band tour were shown by Mrs. James Harsh and Meek who also had a few slides of the band on parade here in the last year and practicing in the gymnasium and on the football field. The next meeting was set for July 10 in the band room.

Local Man To Be Honored At SIU Exercises Today

Carl W. Krohne Jr., 4232 East Lake drive, and Russell O. Habsieger of Berkeley, Mo., were tops among 29 men who will be honored at the two-year certificate in Industrial Management at Southern Illinois University commencement exercises today at Edwardsville.

Both men are supervisors at the A. O. Smith Corp. plant here. They are two of 11 persons from their plant who will receive certificates.

Graduation ceremonies for more than 200 June and August degree candidates plus certificate candidates will be held at 7 p.m., at the central building atop on the new Edwardsville campus.

The Industrial Management program, designed to help industrial supervisors improve the skills necessary for better on-the-job performance, has about 250 industrial foremen and supervisors enrolled.

Classes are held at Granite

City, Alton, East St. Louis and Highland with most of the men in the program coming from those general areas.

Started in Granite City in 1950, the program spread to Alton in 1951 and East St. Louis in 1952. It has been adjusted to the specific needs of each area.

"Courses are tailored to meet the practical problems of management and the needs of the students," supervisor E. R. Castevens said. "New courses are added from time to time as needs change."

Certificates will go to the following local men:

Alfred F. Campbell, David Amos Davenport, Alex Dumoulin, David George Evans, Robert Eugene Harris, Frank Harlow Kappa, Carl William Krohne Jr., Richard A. Polley, John Milton Seybert Jr., Willie Norman Sharp, Owen Carl Thornberry, Raymond Wafer, all of Granite City, and Walter Francis Ernst of Madison.

Certificates will go to the following local men:

Alfred F. Campbell, David Amos Davenport, Alex Dumoulin, David George Evans, Robert Eugene Harris, Frank Harlow Kappa, Carl William Krohne Jr., Richard A. Polley, John Milton Seybert Jr., Willie Norman Sharp, Owen Carl Thornberry, Raymond Wafer, all of Granite City, and Walter Francis Ernst of Madison.

Levee Board Asked To Reconsider Bond Sale

A request has been made by the East St. Louis Chamber of Commerce for the East Side Levee & Sanitary District to reconsider a \$800,000 bond issue agreement approved by the levee trustees last week to begin the first phase of pollution abatement with construction of a treatment plant at Cahokia.

The Benjamin Lewis Co., a Chicago investment firm, is to handle the bond purchase at an interest rate of not more than 4.6%.

The East St. Louis C. of C. board of directors is asking the levee board to either advertise for bids, negotiate with other firms or give citizens more information on the firm's fiscal year on other projects. It is to handle legal and paper work and act as purchaser of the bond issue.

County Board Accepts Bids For Road Work

Midwest Blacktop Roads, Inc. East St. Louis, was successful lone bidder for bituminous materials and seal coat aggregate for applications on roads in Numeoki and Venice townships under the motor fuel tax program approved Monday by the county board of supervisors.

The bid is subject to final approval meeting in Edwardsville. The bid by the state highway department and highway commissioners of the townships.

Midwest's quotations were 17.10 to 19.25 cents a gallon, with the variance resulting in the distance from the source of supply to the area where the materials are to be applied. The bid also includes Pin Oak township.

For Chouteau township, the Havelka Co., East Alton, was low bidder for furnishing and applying 25,300 gallons of asphalt at a unit price of 17.30 cents a gallon and 105 tons of stone chips at \$5.05 a ton.

He received a broken neck Monday when he dived into shallow water at Camden Lake in Missouri. He and his family left Saturday for a vacation in the Ozarks.

SOCIETY

Mrs. Little Is Named Regent By Women of Moose

Mrs. Maxine Little was elected senior regent of Women of the Moose, Chapter 247, Wednesday evening, at a semi-monthly meeting attended by approximately 70 members.

Named to serve in executive positions with Mrs. Little were Mrs. Margaret Noonan, junior regent; Mrs. Marian Lipscomb, chaplain; Mrs. Edna Miller, treasurer; Mrs. Emma Laird, recorder; and Mrs. Mary Murgie, junior graduate regent.

Installation ceremonies for the new officers are planned for Sunday, at 2 p.m. in the Moose hall.

Mrs. Murgie, retiring senior regent, presided over a business meeting with five new candidates initiated into membership. They include Mrs. Johnnie Hill, Mrs. Nina Bigley, Mrs. Ruth Marie Smith, Mrs. Esther Ellen Britt and Mrs. Lila Poston.

Academy of friendship rings were presented to Mrs. Martha Anderson, Mrs. Shirley Kramer, Mrs. Julia Jankovich, Mrs. Sylvia Simurda, Mrs. Emily Allerton and Mrs. Winnie Morris.

In memory of a deceased co-worker, Mrs. Sarah Nicol, the chapter charter was draped during the meeting.

Home Of S. M. Wilsons Damaged By Fire Tuesday

The home of local building contractor S. M. Wilson was extensively damaged by fire Tuesday, believed to have resulted from a bolt of lightning during a thunderstorm Monday.

Mrs. Wilson, former Granite Cityans, reside near Belleville at 2 Powder Mill road. No estimate of the damage was available.

Mr. and Mrs. Wilson are residing temporarily with his son, Marion, and family at 1306 Twenty-Seventh street.

Mrs. S. M. Wilson was home alone when the fire broke out during a sun-porch Tuesday morning and spread to an adjoining living room. No one was injured. It was reported that electricians had been called to inspect the wiring after Monday's storm, and that the fire broke out before they completed the examination.

School Supply Vendors Named

Vendors to supply goods and materials in several categories during the 1962-63 year, at constant price levels, were selected by the Granite City school board Tuesday night on the basis of low bids.

Construction materials of specified types will be purchased as needed from Reeves Concrete Products, Tri-City Lumber Co., Granite City Supply Corp. and Lybarger Materials Co. Wood, tile, plaster, cement and limestone and concrete were among items included in the bid tabulation.

Pipe and fittings will be obtained from Ben Schermer Hardware and hardware materials from the Dick Dunn Co., the latter at \$3.72 a square yard.

In other bid sections, the board purchased three aluminum treaders to be used by painters, from Fred Dugan Co. for \$186; two truck tires from O'Brien Tire and Battery Service for \$86; and science equipment totaling \$901 from Blackwell Wieland Co., with about half of the \$901 to be paid by the federal government under the National Defense Education Act.

Roy E. Schmidt Sales and Service Co. was authorized to repair four sets of scales used by school nurses for a total of \$88.

A low bid of \$1198 was accepted from Tarn and Country Plumbing on furnishing and installing electric water coolers on the first and second floors and a service sink on the second floor of Emerson grade school. The vote on the coolers and sink was 6-1, with Homer Huber dissenting.

Action was withheld on bids on floor tile supplies pending a check of the quantity needed.

Bids in ten fields were opened for action June 26, and approval was given for payment of bills totaling \$34,455 in the education fund, \$15,091 in the transportation fund, \$26,024 in the building fund, \$18,621 in the bond and fund fund and \$27,713 in the cafeteria fund.

Replacement of 1967-vintage thermostats at McKinley grade school was completed with purchase of six room heat control units at a total of \$234. The supplier was not specified.

A \$2600 reduction in the Reide and Heating Co. company's contract for mechanical work on Coolidge junior high school additions was authorized due to omission of excavation and labor on installing a 20-inch split casing for a water main.

3 Women Plead Guilty Following Vice Raid

Norma Ford, 39, of National blvd., near Collingdale, pleaded guilty early today to operating a house of prostitution following a raid on her home by county and state sheriff's deputies and state police last night. Two other women pleaded guilty to prostitution.

The Ford woman was sentenced to a year in the county jail and fined \$500 by Justice of the Peace Earl L. Vuagniaux at Edwardsville. The sentence and fine were suspended on condition she pay \$250 of the fine and \$13.60 costs, and not be arrested for a criminal act within a year.

Guilty pleas to prostitution entered by Lynn Marie Maxin, 23, of East St. Louis, and Kim Marie Davis, 26, of the National blvd. address. Both were sentenced to a year in jail and fined \$200, suspended on condition they pay \$50 of the fine and \$13.60 costs each and not be arrested for a criminal act within a year.

Warrants against the three women were filed by Assistant State's Atty. Joseph R. Barlick.

Chief Deputy Joseph Kellerman, who led the raid, said evidence to the hell was gained by use of a "familiar knock" at the door at 9:30 p.m.

time in that the contract cost is similar to the actual cost under the present operation of the department," the complaint states.

The city contract with United Disposal Corp. sets once-a-week pickups with a maximum of two 30-gallon containers at each stop and extra charges for additional service. The city department has no limit on the number of containers and makes more frequent pickups at business places, such as restaurants.

No Competitive Bidding
In seeking the injunction, the union and sanitation workers point out the city failed to act in the best interest of the public in not requiring competitive bidding for the private contract and then entered into the contract without any prior appropriation of funds.

The city council late in April authorized Mayor Davis to negotiate with private collection firms and submit a recommendation. Within two weeks, three proposals which the mayor had secured were presented and action on the United Disposal Corp. offer was taken May 21.

In the complaint, the city collectors seek an immediate injunction to halt the private contract until such time as the court conducts a final hearing. Each of the individual plaintiffs certifies in the complaint that he is a resident of Granite City employed in the sanitation department of the city and a member of Local Union 525 of the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America.

Arthur Crouch, assistant business agent for the union, said the loss of jobs for the 19 men represents a considerable drop in the total earnings and city overall payroll. He points out the private contractor will be operating with a reduced work force and would be basing his trucks in St. Louis, resulting in employees being required to pay Missouri earnings taxes. The contractor has agreed to give preference in hiring to city department workers.

The 19 sanitation workers listed as plaintiffs in the injunction suit are: Tunis Bakken, Ogle Smith, Cecil Lyons, Marvin Howerth, Charles Galt, Edward Weisenberger, Earl Marti, Otis Edmonds, John Heath, Burdette Angle, John Moore, John Tishum, Roy Jarrett, George Galt, Albert Grieve, James O. Smith Jr., Eugene Hoffman, Charles Thomason and Otis Lockley.

Inspector Checking Zoning Complaint

City Building Inspector Earl Bloomquist said yesterday he will confer with City Atty. John Gitchoff and the City Planning Commission to determine steps to be taken on complaints on alleged violation of the city zoning code in the 2900 block of East 23rd street on property owned by a retired painting contractor, Mr. G. Ryan.

The 65x125-foot lot at 2908 East 23rd street is zoned R-3 for single family dwelling unit and at present contains three dwelling units and a paint store.

Bloomquist currently is checking city building records to determine when construction on the lot took place. Ryan told the Press-Record a small apartment on the back of the lot and an upstairs apartment at the main dwelling were built in 1936. The paint store, he said, was converted from a carport in 1957. All of it was done before the zoning code was adopted, Ryan said. The zoning code was adopted by the city in the summer of 1958.

Bloomquist said he was asked this week by Ryan for a permit to convert the paint store to an apartment. Ryan said today he is merely repairing the paint

from scratch all the time. Those trees were five or six years old." Maers said the law will be strictly enforced against anyone caught destroying trees. The mayor said he does not think the destruction is the work of small children.

"I think it is young men responsible," he said. "I take strength to pull those trees down. They were planted by the city after an extensive tree removal program to prevent roots from damaging new sidewalks."

The council authorized a letter to be written by City Clerk Percy Lux to the Community Coach Co. asking that bus stops at 13th street and Madison avenue be reinstated.

Study Law On Medians
The council instructed Corporation Counsel Austin Lewis to check state laws to determine if it is prohibited for vehicles to cross concrete medians on Madison avenue.

The mayor said that continued traffic across the medians could cause them to crumble. If the matter is not adequately covered, Lewis is to draw up a city ordinance.

Maers said there are many cases where vehicles make U-turns over the medians or come out of alleys and turn left across them. The council agreed that the street should be properly posted against such actions.

Land For Federal Bridge

The council authorized the mayor and city clerk to execute an option of acreage agreement between the city and the state of Missouri for final transfer of a half-acre of land to Missouri at the western approach to the city-owned Chain of Rocks Bridge.

The land will provide a right-of-way to a proposed federal bridge to be built north of the present bridge. The city will receive \$15,000 for the land.

The council accepted a report submitted by the public library and added a vote of appreciation for "the splendid job" being done by the library board.

Approve Yearly Bonds

Bonds were approved for city officials and police personnel. Such bonds have to be renewed each year.

The bonds are \$15,000 for the city treasurer, \$10,000 for the comptroller, \$500 for the mayor, \$2000 for police commissioners and the police magistrate \$2000 for policemen and \$1000 for the city clerk.

The Maryland Casualty Co. was surety for the bonds.

Patriotic Quad-Cities Flying Flags Today

The Quad-City area today is again bedecked with flags for the observance of Flag Day.

Early this morning, the flags were placed along Madison avenue in Madison and in the downtown business district of Granite City. Flags also are flying at a number of homes throughout the area.

Arrangements for placing the flags are handled by the Associated Retailers in Granite City and by the Madison Amvets and Madison Rotary Club in that city.

Store which was damaged by fire last fall and sought a permit to install a restroom for its own convenience, asking Bloomquist if it would be permissible to install an apartment unit in the store should he decide to lease the premises to an elderly couple for operation of the shop.

Bloomquist told the Press-Record he plans to confer with the Planning Commission during its meeting this afternoon at the city hall.

SOCIETY

Reports Heard By Jr. Service Club Directors

Mrs. Paul Morris, newly-elected president of the Granite City Junior Service Club, conducted a board meeting of the club Monday evening in the home of Mrs. Charles McConnell, 3013 Wayne avenue.

The social service chairman sent a report that one child had been taken for an eye examination and fitted with glasses, and that the ladies of the club had finished working as volunteers on the mobile chest x-ray trailer June 9.

Mrs. Oliver Jacobsmeyer announced that she had attended an assembly at Granite City high school May 23 where the club presented a \$400 scholarship to Miss Donna Seher.

Mrs. Morris appointed Mrs. Al Komandins to be chairman of the opera committee, and plans were made to attend a showing of "By, By Birdie" in July at the St. Louis Municipal Opera.

The club discussed plans for a float it will have in a Collinsville parade July 21 and also a car that will be driven.

Mrs. Jacobsmeyer reported that donations for a flea market to be held in September are being accepted, and anyone having articles to donate may call any member of the club for pick-up service.

There will be monthly board meetings in July and August, according to an announcement by Mrs. Morris, but the regular meetings for those months will be omitted. The next regular club meeting will be June 18 at the Granite City Trust and Savings Bank lounge.

Other board members attending the meeting were Mrs. Ted Vrenick, Mrs. Paul Knecht, Mrs. Steve Kovar, Mrs. Thomas Burns, Mrs. Marvin Fitzpatrick, Mrs. Kenneth Rapp, Mrs. John Schaffner and Mrs. Glen Romine.

Bridal Shower Honors Miss Ellen Friedman

Miss Ellen Kay Friedman, daughter of Dr. and Mrs. David Friedman, 2820 State street, was complimented by her cousins, Mrs. Carol Goldfarb and Mrs. Stephanie Lipnick, with a bridal shower Tuesday afternoon in the home of Mrs. Josephine Friedman, an aunt of the bride-to-be, in Berksville, Missouri.

A tulip and flower umbrella was the centerpiece of the buffet luncheon table, and a flower-filled cart was used as the centerpiece of the gift table.

Approximately 60 guests from the area attended the shower, including many from the Quad-Cities.

The wedding has been set for Sunday, July 8, in the home of the bride. Her fiancé is Philip Offit, who is a sophomore at the St. Louis University School of Medicine.

Miss Friedman spent one year at Ferry Hall in Lake Forest, Ill., and is a graduate of Monmouth and a June graduate of Washington University, where she received her bachelor of arts degree. She will enter the teaching profession this fall.

The world really appreciates a man who has a clean conscience and keeps still about it.

Houseguests At Overbeck Home

Granite City Postmaster and Mrs. Theodore Overbeck, 3711 Riverside drive, are entertaining as houseguests, his mother, Mrs. Nettie Overbeck of Oakland Park, Florida, and their married daughter, Mrs. Louise (Jo Ann) Spurgeon and son, Bruce, of Peoria, whose husband returned to Peoria earlier this week after a visit of a few days.

Mr. and Mrs. Overbeck's younger daughter, Karen, a student at Southern Illinois University, Carbondale, is also home for the summer. Additional houseguests of the family who will arrive this weekend are Mr. Overbeck's brother-in-law and sister, Mr. and Mrs. Emil Erickson of Oakland Park, Fla., who plan to remain here about two weeks.

Corsages Topic Of Garden Club

Mrs. Clara Schillinger was the June hostess to members of the Thorgate Garden club Tuesday afternoon in her home on Thorgate drive. She served a dessert luncheon preceding a business meeting conducted by Mrs. Charles Delpe, president.

Reports were heard from various members who had attended floral shows at Shaw's Garden in St. Louis during May.

The group discussed plans to hold a pot luck family dinner July 10 at the home of Mrs. Caroline Moser on Thorgate drive. This is an annual event and is for all the members in the club and the members' families. The dinner will start at 6 p.m. promptly.

Mrs. Verna Rohrkaste of Edwardsville was the day's guest speaker and instructor. She demonstrated how to take ordinary garden flowers and make them into corsages for all occasions.

Mrs. Rohrkaste also showed various techniques of making hot-house flowers into corsages.

The corsages made by Mrs. Rohrkaste were presented to the members and guests. One went to Mrs. Ida Handfielder for being a great-grandmother, one to Mrs. Doris Smith for being the youngest mother, one to Mrs. Frances Williams as the newest member. Mrs. Beula Miller as program chairman and Mrs. Geneva Paul and Mrs. Florence Rapp as guests.

Others at the meeting were Mrs. Mary Cochran, Mrs. Millie Moss, Mrs. Mary Markham, Miss June Markham, Mrs. Elizabeth LaVelle, Mrs. Evelyn Lee, Mrs. Yvonne Guth, Mrs. Caroline Moser and Mrs. Jerry Short, a guest.

Mrs. Verna Rohrkaste of Edwardsville was the day's guest speaker and instructor. She demonstrated how to take ordinary garden flowers and make them into corsages for all occasions.

Spengler Takes Classic Lead With 1-0 Moose Victory

A wild pitch in the bottom of the seventh inning gave Spengler Insurance a 1-0 win over Moose Tuesday night in park district Classic softball competition at Wilson Park.

Moose pitcher Neal Melton allowed the winners only four hits, three of them came in the seventh. The Moose, meanwhile, failed to score on five scattered hits off Spengler moundman Ray Hoffman.

In the night's opening contest, Rome and Roy's smashed around six runs in the second inning and went on to a 12-5 victory over the Madison Bowling Club. The game was abbreviated to six innings under the 10-run lead rule.

Frank Spahr went three for five at the plate and dinged in four runs for the winners. Dave Wilson had a triple and drove in three runs. The Madison club scored single runs in each of the first three frames.

Winning Run
In the second game, Jack Scarborough opened the Spengler half of the seventh with a single, followed by a single by Bob Jones. Rudy Diak was safe on a fielder's choice, with Scarborough forced out at third. Jones scored on Melton's wild pitch to Charles Johansson.

Tuesday's action leaves the league leaders with a record of four decisions without a defeat, dropping the Moose into second with three wins and one loss. Rome and Roy's holds a 2-1 record, the GCS Credit Union 1-1, the Granite City park district summer league 1-0.

Color Movies On Recreation Schedule
Seven more movies, all in color, are scheduled for showing at playground centers in the Granite City park district summer recreation program.

They are "It Happened to Jane," "Battle Hymn," "The Black Shield of Falworth," "The Seventh Voyage of Sinbad," and "The Toy Tiger." The first movie on the schedule, "1001 Arabian Nights," was shown this week. All are shown indoors according to a varying weekly schedule.

Classic Teams Divide Pair With Visitors

Granite City park district Classic Softball league teams split an exhibition doubleheader with out-of-town teams at Wilson Park last night.

The league-leading Spengler Insurance nine scored in the bottom of the eighth to squeeze past Caseyville VFW Post 1117 by a 3-2 score, while GC Steel Credit Union lost 1-0 to Gilles.

Spengler, limited to three hits in the regulation seven innings, scored its lone run on a lead-off triple by Don Crabtree and a single by Jess Ybarra. The team's lead-off single in the second and fourth innings. Dick Portell went the route on a homer by Ferd Roelner, adding their second score in the sixth.

Gillespie scored his game-winning run in the first inning of a tightly pitched contest. The Credit Union team got only four hits off Gillespie hurler Larry Ferrari, none for extra bases.

Jack James allowed the visiting team five hits, two in the run-producing first inning.

YMCA Has Life Saving, Art Course Openings

Registration in two summer programs for young people at the YMCA is still being conducted. The "Y" office has announced, while enrollment in all others is closed.

Vacancies exist in the junior life saving course, open to boys and girls aged 12 through 15, and an arts and crafts program for those aged seven through 12.

Dow, Union Electric Take Victories In Industrial League

Dow Chemical took a 7-5 decision from Monarch Furnace and Union Electric rolled over Union Starch 13-6 in YMCA Industrial league softball competition last night.

Tony Schipkowski tossed the winning game for Dow Chemical, limiting the Monarchs to three hits. Jerry Voloski led the hitting attack with three for four at the plate.

Home runs by Jim Williams, Bill Campbell and Ted Antoff highlighted the Union Electric onslaught. Williams also got credit for the mound victory.

Potter Frederick had a homer for Union Starch, and Norm Bennett hit safely twice in three trips to the plate.

In next week's league action, Dow Chemical faces Union Electric and Union Starch takes on the Air Products team.

Dr. Berman Honored By Heart Association

Granite City physician, Dr. Benjamin Berman, was honored Monday evening for outstanding volunteer work with Illinois Heart Association region 11. The award was made at the region's 11th annual dinner meeting at Bethesda.

Dr. Berman and other association leaders heard Dr. Hugh Espey, Quincy, president-elect of the Illinois Heart Association, speak. The best hope for every heart, Espey said, is continued and increased support of programs of research, education and community service.

GC Radio Station Seeks Injunction In Court Today

Radio station WGNU has filed a petition for an injunction against Local 4 of the International Brotherhood of Electrical Workers asking that the union picketing at the station be halted.

J. Leonard Schermer, St. Louis attorney representing the petitioners, said the station feels the picket line is illegal since it has recognized one union, the Teamsters. The petition was scheduled to be heard in circuit court at Edwardsville this afternoon.

Meanwhile, the Electrical Workers Union plans to set up an office in Granite City to handle the strike. Ralph Burnett, business agent of Local 4, said an office probably will be open in Granite City next week, as soon as he can appoint someone to run it.

He said the local will distribute handbills to customers outside the places of business of the radio station's advertisers.

"We believe in freedom of speech," he said, "and feel we are doing no wrong as long as we tell the truth."

He said the striking broadcast engineers are being given some work elsewhere and are being afforded help with the picketing of the station.

Says Negotiations Stalled

The striking engineers belong to the IBEW. Barnett claims the station has been stalling on negotiations for several months.

He said WGNU engineers receive around \$75 a week while the union scale is \$170 and that they are not paid for overtime.

Charles Norman, one of the station owners said Wednesday, "We have signed recognition with the Teamsters and we can't have two unions." He said the IBEW already had circulated the station's advertisers. The injunction also is being sought to

halt this activity by the union. The other owners are John Karoly and George Moran. Norman said nine of the station's employees have joined the Teamsters, and that only one eligible man has not joined but that he would be doing so soon. It will be required for all full-time employees to join within 30 days, he said, in accordance with the contract the company will be signing with the union.

Office help and sales people are exempt from joining, Norman added. The agreement will involve only technical personnel.

Parents Seek Rabbit That Scratched Girl, 8

Because she was scratched by a small wild rabbit Wednesday evening, eight-year-old Mia Susan O'Hara of 3000 Dale avenue, Glenview subdivision, may have to undergo a series of anti-rabies shots.

Her parents, Mr. and Mrs. Elmer E. O'Hara Jr., and neighbors conducted a search last night in the area of Dale and Willow avenues, where the animal was last seen. They have until Saturday to find the animal.

Mia Susan was scratched on the finger by a rabbit which she caught in the yard of her parents' home. When she carried the animal to her parents, they made her free because it had a small sore over its left eye.

They discovered later it had scratched the child, and took her to a doctor.

The family was told an animal suspected of rabies should be impounded for 10-14 days. If it develops symptoms of rabies, or if it cannot be found, it is necessary to give rabies vaccine to the victim as a precaution.

Construction Agency Team To Visit Local Depot

A briefing team from the Defense Supply Agency's Defense Construction Supply Center, Columbus, O., will visit the Depot Tuesday to present the broad picture of the center's mission and to outline specific details and provide information to assist in conducting business with Defense Construction Supply Center.

Two officers and one civilian is presenting the "Defense Construction Supply Center Road Show" before key personnel at 17 supply installations over the country.

Headed by Major William Jones III, USA, the team of Lt. Austin Byers, USN, and Donald Robbins, will make the presentations.

The Defense Construction Supply Center, the Defense Supply Agency's construction arm, is partially operational at present and will be fully operational for 30 federal stock classes of building materials and repair parts for construction equipment by Nov. 1, 1962. The center will serve the Army, Marine Corps, Navy and Air Force CONUS-wide at whole sale level.

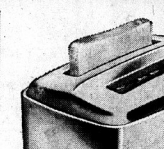

Man Hurt In Fall Much Improved Today

Hershel Michael, 42, of 2111 Lincoln avenue, was reported doing "quite well" this morning in St. Mary's Hospital, East St. Louis, since being admitted Sunday with a broken arm and leg.

He had 25 feet from a scaffold Sunday onto his face. He had been working with two other men, cleaning the First National Bank building, at 327 Missouri avenue, East St. Louis, when the scaffolding fell. The other two men jumped to another scaffold and escaped injury.

Lifesaving Medal Awarded To David A. Davenport

A National Safety Council President's Medal has been awarded to David A. Davenport, Dow Metal Products Co. fire chief who was credited with saving the life of a fellow worker March 20.

Using mouth-to-mouth resuscitation, Davenport revived Raymond Oettle, 4028 Stearns avenue, after he had been overcome with carbon dioxide from an automatic fire fighting system which was accidentally set off.

The men were working on a construction project at the Madison plant when the incident occurred, and Oettle was dragged from a gas-filled excavation after losing consciousness.

Announcement of the Safety Council award came from Lyle E. Bland, secretary of the Medal Administration committee.

The President's award is a bronze medal with a symbolic design in bas-relief showing the

ANNIVERSARY OPEN HOUSE AT JOHN REDFERN HOME

Mr. and Mrs. John Redfern, 2309 Waterman avenue, celebrated their 25th anniversary Sunday afternoon by holding open house in their home. They were married June 10, 1937 in Springfield, Ill., and have lived in Granite City since 1942. They have one daughter, Karen Sue, 15 years old.

A niece of the hostess, Miss Sandra Danrau of Jacksonville, Ill., effectively used white stock and white carnations combined with silver and white bells and white streamers to decorate the Redfern rathskeller. A three-tiered cake, topped with silver bells, centered the buffet table.

The Redferns were the recipients of many gifts, including a large replica of a palm tree with silver ornaments.

Out-of-town guests were Miss Wanda Mansfield and Oscar Gold of Washington, D. C., Mr. and Mrs. Adolph Danrau and Mr. and Mrs. Roy Hicks of Jacksonville; Mr. and Mrs. George Harr and sons, Robert and Rex of Greenfield; Mr. and Mrs. Gilbert Redfern and Mr. and Mrs. Myron Redfern, and daughter Sandra, of Carlinville; Mr. and Mrs. Bird Mansfield, Mr. and Mrs. Lon Mansfield and Coy Mansfield of White Hall; Mr. and Mrs. Harry Endich and Mr. and Mrs. Edward Raml of Warden; Mr. and Mrs. Guy Stevens of Wood River; Mr. and Mrs. Howard Dugger and daughter Yvonne, Mr. and Mrs. Irwin Wegener, Mr. and Mrs. S. M. Wilson, Miss Betty de Vries and Mr. and Mrs. Louis Garcia and son of Belleville; Mr. and Mrs. Lloyd Owens and Mr. and Mrs. James Younger of East St. Louis; Mr. and Mrs. Ward Borer of Greenfield; Mr. and Mrs. Ira Redfern, Mr. and Mrs. Elbert Fanning, Mrs. Harry Redfern, Mr. and Mrs. Earl Hick and Mr. and Mrs. Smith Elliott of Palmyra; Mrs. Leslie Sedcum and Mr. and Mrs. Harold Johnston of Edwardsville; Mr. and Mrs. Rex Redfern and daughter, Diana, Mr. and Mrs. Carroll Bernhardt, Mr. and Mrs. Ted Berent, Mr. and Mrs. Louis Reese and Mr. and Mrs. Thomas Reidy and children, Donna and Joseph, of St. Louis.

The hostess was presented with a white orchid corsage. She was assisted by Miss Sara Emrich, Miss Marilyn Wondra and Mrs. Albert Zarlingo.

NIQ MEETS WITH MRS. SHANNON

Mrs. Ann Shannon was the hostess for the last spring meeting of the NIQ club Tuesday evening in her home, 3201 Carlton avenue.

The group played pinocle, with first prize awarded to Mrs. Ethel Weiss, second to Mrs. Josephine Czervinski, a guest, third to the hostess and fourth to Mrs. Edith Lematovich.

A late dessert course was served by Mrs. Shannon to the prize winners, Mrs. Emma Tappei and Mrs. Leona Spickett. The next meeting will be September 11.

MRS. OZBURN HAS MAJOR SURGERY

Mrs. Glenda Ozburn, 1521 Garfield avenue, entered Belleville Memorial Hospital in Belleville Tuesday and underwent major abdominal surgery Wednesday morning.

Mrs. Ozburn expects to be in the hospital the next eight days. She is the owner of Glenda's beauty salon.

ATTEND FAMILY REUNION

Mrs. Reatha Bowler, 2830 State street, and Mrs. Harriet Hoff and daughter, Beth, 1645 Mayo avenue, attended a reunion of the Bauer family in Hillsboro on Sunday.

The all-day basket dinner was held at the Chaucer Recreation House in that city and was attended by over 100 members of the family of Mrs. Bowler.

Mrs. Ida Hantfelder of Thorncaster drive has her granddaughter, Mrs. Arthur Knuth and two great-grandchildren, Mathew and Susan, of Litchfield, Ill., at her home to spend a week's vacation.

JUNE MEETING ENDS SEASON FOR NUPWA

Monday evening's meeting of the Namekoi United Presbyterian Women's Association ended the season for the group. The meeting was held at the Namekoi Presbyterian Church on Pontoon road, and Mrs. Alja Stewart, president, conducted the meeting.

The meeting opened with union reading of the UPWA purpose, and followed with the recommendation of the executive board to table a resolution concerning the by-laws.

Mrs. Edith Simpson, fellowship chairman, welcomed the mother-in-law of Mrs. Young Kim Jr., Mrs. Young Kim Sr., who is here on a visit from Korea.

Missionary names of the day and prayers in their name were offered by Mrs. Louis Anderson, world service chairman, who later gave a detailed report on world services and activities, which the group accomplished in the past year.

Mrs. Beatrice Pyle, program chairman, spoke on "Predestination," and Mrs. Ann Freeling spoke on "Salvation." Mrs. Stewart announced that the afternoon circle will meet at the home of Mrs. Ann Ross, Rural Route Four, Edwardsville, on Sept. 27 and the evening circle will meet at the home of Mrs. Twyla Marcum, 4062 Vesel avenue, Sept. 25. The meeting was closed with prayer by Mrs. Stewart.

A late dessert course was served by the evening's hostesses, Mrs. Anderson and Mrs. Violet Monahan.

The other members attending the meeting were Mrs. Edith Arbogast, Mrs. Fern Mitchell, Mrs. Willa Mae Mitchell, Mrs. Lu Pyle, Mrs. Carolyn Stearns and Mrs. Nadine Whitaker.

BRIDGE, COFFEE PARTY AT STEARNS RESIDENCE

Mrs. George Stearns, 2000 Pontoon road, gave a bridge and coffee party Wednesday morning in her home.

The guests were Mrs. Christ Louis, Mrs. Tom Kelso, Mrs. Ed Reineke, Mrs. W. R. Huff, Mrs. Edna Gill, Miss Irene Stocker, Mrs. Albert Busch, Mrs. Donald Spalding and Mrs. August Thies.

Girl Scouts Prepare 'Swaps' For International Roundup

Quad-City area Girl Scouts going to the International Senior Roundup in Vermont and the alternate camp in Wisconsin this summer will be "armed" with a wide variety of "swap" items to lure top souvenirs from other Girl Scouts from all over the world.

The local girls took part with others from the River Bluffs Council in the final roundup before the two "big camp" ventures during training exercises which ended Tuesday at Camp Lakota near Glen Carbon.

Along with camping equipment checkouts, the local girls checked their "swaps" which included tan toms, violet neck bones, made from chicken neck bones, slices of horseshodish preserved in wax, samples of slag, limestone, coal and small fossils collected during other camps, red cedar key chains, badges of galvanized steel or leather, small tomahawks and miniature idol eyes, which Indians worshipped.

Local Participants
Taking part in the three-day training campout were Margaret Juhász, patrol leader for the Pima patrol; Cathy Parker and Mary Jane Zimmer for the Pima patrol; Kathy Brune and Linda Ouschowick of the Pioneer patrol; Hedy Brinkmeyer, Romelle Cooper, Norma Riverburgh.

Dr. Theis Elected To County TB Office

Warren Schooley of Wood River was elected to a third term as president and Dr. A. H. Rode of Granite City was named first vice-president of the Madison County Tuberculosis Association during the annual meeting of the group at Lewis & Clark restaurant, East Alton, Monday night. There were 120 present.

Other officers elected were: A. B. Reisch, Collinsville, second vice-president; and Clarence H. Decker, Wood River, secretary-treasurer.

Named to the executive board from this area was Dr. E. H. Theis, while elected to the board of directors for three-year terms were G. W. Hoelscher, Dr. Rode, Dr. Theis, Marion Grouching and Orville Brunjes. Dr. Felicia Koch is a retiring director.

A financial report presented at the meeting showed total receipts from the sale of Christmas seals to total \$42,039, less 12 percent to the state and national chapter of \$3,179, leaving a net of \$38,860.

It was reported by Secretary Decker that 19,603 chest x-rays were taken during the recent tour of the mobile x-ray unit through the county. The number of refusals to date for further x-rays stands at 195.

Special awards were presented and among the recipients was the local John Daughters beth represented at the meeting at Misses Sondra Johnson, Margaret Champion and Lynda Telior. Guest speaker for the evening was Dr. C. Wayne Moulton of the Weber Medical Clinic at Olney, who gave a history and demonstration of hypnosis.

not to be in contact with the court when more serious criminal cases are being handled.

The biggest need, he said, is in the area of organization for traffic improvement. The two elements are the official committee and the citizen group. When they work together, there is coordination between official action and top citizen leadership, he commented.

On the whole, Hill said, Madison is doing a fine job with its safety program and none of the minor criticisms made would be difficult to solve. He predicted that if the program continues to improve as it has, the city may qualify for further awards.

Police Boost Accident Prediction For June

Refuting past statistics, the Granite City police department records section today said the traffic accident prediction for June has been revised upward to 85 instead of the 81 previously announced.

Records Clerk Raymond Ridge and Desk Clerk William Cordis said the indications are for a larger number of accidents in the city. There were 82 traffic mishaps in May and last year in June, 78 were reported in the city.

\$59,365 MFT For County

Madison county's share of motor fuel tax paid into the state treasury during May amounts to \$59,365, the Illinois department of finance reported this week. A total of \$2,887,664 is being allotted to all counties in the state for the month.

Kathy Harsh and Judy Matras leader of the "Tumara" patrol and Pam Bradley of the "Tumara" patrol.

The final campout gave the girls an opportunity to use equipment they will be taking to the International Senior Roundup, and for parents to see the girls in action.

On Monday night, a lecture on astronomy was given, and during the day the patrols staged demonstrations which will be presented in Vermont. The parents saw the patrols prepare potato pancakes and horseshodish, along with demonstrations of the use of Indian beading and Indian games and dances and skills depicting the legend of Lovers Leap and the history of River Bluffs.

Third Senior Roundup
The third senior roundup, July 20-22, is to be held at a state park on Lake Champlain, about 25 miles southwest of Burlington, Va., with 8500 campers and 1500 adults taking part.

The participants will arrive from all sections of the world and will celebrate the 50th anniversary of Girl Scouting with the theme "Honor the Past, Serve the Future."

The local girls will leave from Edwardsville on July 17 and are to arrive at the roundup camp on July 19. They will leave Vermont on July 30.

More About 150th Year Festival
(Continued from Page 1)

A series of activities in September, the board-growing contest will start officially on June 15. Announcement will be made later prizes and judges in the board contest.

A highlight of the observance will be crowning of a Madison county sesquicentennial queen—with prizes valued at more than \$300 to be given to the winner and top contenders. In charge of all arrangements for the queen contest is Mrs. Anita Kubant of Troy.

"This is not a bathing beauty contest," Mrs. Kubant stressed. "The award will go to a girl of high moral character who has shown initiative and civic spirit."

Any girl in Madison county, married or unmarried, between the ages 17 and 30 is eligible to be entered. Additional details of the contest are to be announced.

The kickoff for the queen contest will take place on Wednesday, June 13, at the YMCA in Granite City. The event will be cosponsored by the Associated Retailers and Junior Chamber of Commerce.

A vacation trip is to be awarded to the queen along with a \$1000 cash prize and a diamond ring, negligee, lingerie, electric iron, portable typewriter, double's account, cash gifts and gift certificates.

MORTAR . . . TILE

BALANCE . . . GRADUATE

The above words could refer to building materials, accurate, or obtaining a college degree. But, in a pharmacy they relate to one thing — the filling of prescriptions.

A mortar is used to mix ingredients, the tool for smoothing and unifying an ointment, a balance weighs drugs, and a graduate measure quantities. Many words have different meanings, but our name always means — "dependable pharmacy service for medicines, sickroom needs and health-aids."

YOUR DOCTOR CAN PHONE US when you need a medicine. A good many people entrust us with their prescriptions. May we compound yours?

Jesse E. Smith, 76, Dies Suddenly At Home

Jesse Ellsworth Smith, 76, a retired trackman for the Pennsylvania Railroad, was pronounced dead upon arrival about 6 a.m. Tuesday at St. Elizabeth Hospital where he was taken from his home, 2906 Pershing avenue. His wife, Viola, heard him get up and a few minutes later found that he had collapsed on the bathroom floor. He had been under medical care for a heart ailment.

Mr. Smith, a native of Iowa, had lived in East St. Louis for 10 months before he and his wife moved to Granite City a month ago. Previously, they had lived in Pochontas 27 years, where they were members of the Assembly of God Church.

In addition to his wife, he is survived by three sons, James F. Smith of Troy, Larry H. Smith of East St. Louis and Carl Allen Smith of Lebanon; three daughters, Mrs. Ruth H. Lindley of Wood River, Mrs. Mildred Weber of Evansville, Wisc., and Mrs. Helen M. Jones of East St. Louis; two sisters, Mrs. Zetta Campbell and Mrs. Ora Powers, both of East St. Louis; a brother, John Smith of East St. Louis; 19 grandchildren and nine great-grandchildren.

Services were conducted at 2 p.m. today at the Assembly of God Church in Pochontas, with burial taking place in the Robinson Cemetery there. Further information is given in today's obituary column.

SIU Award Named For Granite City Chemist

A Longnecker Student Award Fund has been established by the Southern Illinois University Foundation in honor of a Granite City resident, Joseph Longnecker.

The fund will be used to benefit an SIU freshman student from the Granite City area, according to Kenneth B. Miller, Foundation executive director. It is based on a financial gift made by Longnecker to the university.

Longnecker, who lives at 2311 Delmar avenue, is a research chemist at the Union Starch & Refining Co., where he has been employed for 30 years. Miller announced the establishment of the Longnecker fund at the Foundation's meeting last week. The Foundation's primary purpose is to receive and administer gifts to the university.

Poster Gifts Planned For Paddlers Children

James Spinks, president of Paddlers, conducted a monthly meeting of the board of directors Monday evening at the club's pool, during which plans were made for a poster contest. A financial report was given by Homer Johnson and Andrew Githoff, treasurer, while the membership chairman's report was given by Spinks in the absence of Mrs. Donna Hogan. Keith Parker, pool manager, reported that a clinic held June 9 at the pool was well attended by other private pools in the area and by Paddlers swimmers. He reported that Roger Counsel, coach of the Lockhaven Swimming club of Alton, explained competitive swimming techniques and held diving demonstrations while instructors from other pools explained the rules and scoring of competitive swimming.

Parker announced that the club's swimming team held an organizational meeting at the pool Monday, with 100 children attending. Jerry Sizemore, chairman of the pool and grounds committee, suggested holding a contest among the children of the pool members on their ideas of how the pool will look in 1970. Sizemore and George Wilson are to present the rules of the contest at the next board meeting, and Parker will mimeograph an outline of the present pool and boundaries of the club grounds to give to the contestants as the basis of their pictures.

The work is to be submitted on poster board, and prizes are to be awarded. A composite picture of the ideas submitted will be made after the close of the contest, for which no dates have yet been set.

Other board members present were Bob Graf, Mike Kawala, Richard Ashal, Lester Thompson, Richard Pittenger, Paul Morris and Mrs. Vyvonne Durbin. The next meeting will be July 9 at 8 p.m. at the pool.

**National Food Managers
Swap Jobs—Save Travel**
Managers of the Granite City and Belleville stores of National Food Stores, Inc., have swapped jobs with Ronald E. Barry, new manager of the local market at 2329 Madison avenue and Les Oiler leaving the local store to go to Belleville.

The exchange of positions will eliminate travel for both managers, since Barry lives here at 4536 Walter avenue and has been making the trip to Belleville, and Oiler lives in Belleville.

TENTH BIRTHDAY

Mr. and Mrs. Gene Frith, 2239 Missouri avenue, entertained for their son, Ricky, on his tenth birthday Sunday with a family party.

Attending during the evening were Mr. and Mrs. T. L. Lyons, Mr. and Mrs. Alfred Curtis, Mr. and Mrs. Glenn Ritter, Mr. and Mrs. Stewart LeMaster, Mr. and Mrs. Harold LeMaster, Miss Georgia LeMaster, Mrs. Nannie Meadows, Bruce and Mary Beth Gordon and Terri and Becky Frith.

Those present at an earlier party were Becky and Rusty Miller, Tommy Alfaro, Bruce Hawkins, Russell Ford, Gary LeMaster, Mike Cross and Becky Frith.

He received gifts from all. Refreshments were served.

CLASS SUPPER IN PARK

The Winsome class met at Wilson park for a pot luck supper and meeting Monday night. The meeting opened with prayer by Luverne Fennell and the devotion was given by Esther Reutzel. Business was conducted, and plans were made to help with a Bible school and to fix a sunshine box.

Secret pays were revealed and a gift exchange was held. The closing prayer was given by Evelyn Smith.

Present were Mesdames Stefie Lashar, Myra Grate, Dorothy Barnes, Esther Davis, Ethel Cox, Alay Richards and Frances Folsom and Miss Irene Broadway.

Guests Luverne Grote, Wes Grote, Betty Grote, Margaret Lishar, Marie Snyder, Bonnie Fennell, Nancy Reutzel, Jenny Lou Ward and Margaret Ward.

Dr. Kathleen Jones Primary Sunbeams met Tuesday afternoon at Second Baptist Church to continue their study of "Friends." Mrs. Betty Lewis and Mrs. Shirley Mayberry were in charge of songs and activities.

Mrs. Lewis offered prayer and told the story of a family of refugees, befriended by two women and helped to make a new life in America.

Father's Day gifts were made by all, and the closing prayer was by Frances Weitz and Mrs. Mayberry. All present were encouraged to attend a Vacation Bible school now in progress at the church.

Others present were Denise Whitson, Shannon Marmion, Larry Anderson, Gira Harlan, Gary Lewis, Nancy Hawkins, Robert McCord, visitors Gail Lewis, Johnny Brooks, Johnny and Lindy Baker, Debra Waggoner and a new member, Sandra Winick.

Fire Call On Skillet

An overheated skillet burned up food and filled a residence at 1227 Calhoun street with smoke at 8:30 a. m. Wednesday, Venice, who responded, said there was no damage.

MADISON ROTARY OFFICERS installed last night. Seated (left to right) are Lewis Waggoner, second vice-president and secretary; Alex Schenoff, president; and Lawrence Falke, first vice-president. Standing (from left) are Harry Thebeau and Fred Schmidt, directors; E. A. Friedman, charter member and installing officer; and Anthony Zedolek, sergeant-at-arms.

Schenoff Installed By Madison Rotary

Alex Schenoff, installment loan officer and assistant cashier of the First Granite City National Bank, was installed last night as president of the Madison Rotary club for the year beginning July 1. He resides at 1807 Sixth street.

The installation, held at the Rose Bowl restaurant, was conducted by E. A. Friedman, only surviving charter member. The club was organized in 1925, and Friedman has been active in it continuously for the past 37 years.

Schenoff cited as a major undertaking of the 1960-61 year the Rotary International convention to be held in St. Louis next June. Local Rotary clubs are among those which will serve as co-hosts to the gathering of Rotarians from throughout the world.

The new president succeeded Fred Schmidt, who was named a director of the club. Lawrence Falke was installed as first vice-president, Lewis Waggoner as second vice-president and secretary, Charles Foley as treasurer, Anthony Zedolek as sergeant-at-arms and Schmidt, Harry Thebeau, John Sedlack, Rev. Howard Lucas and William F. Winter as directors.

Schmidt presided and gave a review of the past year. The installation was followed by Harry Thebeau, who also recognized

Court Date Set In Photo Case of GC Man

The St. Louis county prosecutor's office refused warrants Monday afternoon in the case of George A. Coolidge, 58, of the 2100 block of State street, and Miss Conyers Shaw, 25, of the 6100 block of Prescott avenue, St. Louis. The two were arrested after a large quantity of allegedly obscene photos was discovered in an apartment photo studio at the Prescott address.

Police said the premises belong to Coolidge and that Miss Shaw is one of the two apartments. A bedroom fire occurred last Saturday in Miss Shaw's apartment and firemen discovered the photos in the adjacent apartment when they made a routine check to make sure the fire had not spread. An estimated 2500 color slides and 100 black and white photos were seized by St. Louis police, along with projection equipment. Coolidge is charged in the information with manufacturing and producing obscene matter. Miss Shaw is charged with aiding and assisting in the production of obscene matter.

They are to appear in City Court No. 2 on July 25 for trial. Coolidge has been an amateur photographer for years and claims the photos were art work.

Mrs. Eberhart Graduating At SIU With High Honors

A Granite Cityan, Mrs. Ruth Evans Eberhart, who is secretary to Mayor Davis, and also a mother and housewife in addition to being a student, will be graduated with "high honors" at Southern Illinois University campus commencement exercises to be held at Edwardsville this evening.

Mrs. Eberhart has been attending night classes at both the Alton and East St. Louis SIU Residences Centers, squeezing in some classes on my lunch hour. She and her family reside at 1814 Clark avenue.

Receiving a bachelor of arts degree in English after three years of part-time classes, year-round, Mrs. Eberhart has the distinction of being the second student to be graduated from the Southwestern campus with "high honors."

Academic Dean William T. Goepfert said at Edwardsville today, "It is gratifying to note the increased number of students graduating from the Southwestern campus whose academic records show a sustained concern with excellence in performance."

Eight other students are graduating with "honors." He explained that to be eligible for "high honors," as Mrs. Eberhart is, a student must maintain a grade point average of between 4.75 and 4.89 and for "honors" an average between 4.50 and 4.74.

Air Pollution Study Interests Local Cities

Local city officials have indicated an interest in participation in proposed study of air pollution abatement in the metropolitan area on both sides of the Mississippi River. It was learned this Sunday at a meeting in East St. Louis Tuesday night attended by U. S. Public Health Service officials.

Dean S. Mathews, a sanitary engineer representing the service, said a survey of the area would cost \$500,000 to \$600,000 and that the federal government could assume a third of the cost, with the remainder being provided among the communities involved.

Mayor Davis of Granite City and Mayor Lee of Venice said they were interested in obtaining information on the proposal. Mayor Maestas of Madison could not be reached for comment. The survey under consideration would take three in Illinois and three Missouri cities.

Archbishop Audrey Will Visit Church Here

His Eminence Metropolitan Archbishop of the Eastern Orthodox Church for the areas of the USA, South America, Canada and Australia, will celebrate the Pontifical Divine Liturgy of the Day of Pentecost, this Sunday at the Bulgarian Eastern Orthodox Church, 1300 Grand avenue, Madison.

The distinguished pontiff will be assisted by the Very Reverend Kiril Antiof, pastor of the host church, and Rev. Fr. Theodosius of the Russian Eastern Orthodox Church, Madison.

The Divine Liturgy and Great Vesper services will be combined, starting at nine o'clock Sunday morning, followed with a banquet in honor of Archbishop Antiof at 1 p.m. in the church hall.

On Saturday, priests from the Federation of Eastern Orthodox Churches of Greater St. Louis and vicinity will participate in Vesper services beginning at 7 p.m. in the church.

A tea is planned for after the Saturday evening service honoring His Eminence and the St. Louis religious leaders.

Fatality, 10 Injuries

(Continued from Page 1)

established which of the car's three occupants was driving.

Also injured, the report shows, were Joseph B. Buzar, 30, of 2435 Illinois avenue, and Donald A. Gaumer, 27, of 2531 Spalding avenue. They are in St. Elizabeth Hospital.

Buzar suffered cuts to the head and upper right arm, while Gaumer sustained abrasions and lacerations to the head, right arm, right hand, left arm and left knee. Buzar was listed as good and Gaumer as fair this morning.

The car was traveling east, according to Illinois state police, when it ran into the train. The 15th and 16th cars of the 96-car train were derailed. There was little damage to railroad property, but early morning traffic was tied up for several hours.

State police were still investigating this morning and may establish today who was driving the car.

Hit By Car, Hurt Slightly

Taken by ambulance to St. Elizabeth Hospital, Larry McCauley, 10, of 2018 Hildebrand avenue, Clowesville Addition, was treated for cuts about the chin and right eye suffered during rain at 2:05 p.m. Monday when he was struck by an auto on a former state highway section adjacent to the McCambridge viaduct.

The boy was running eastward across the road and Norman L. Soehnlin, 30, Caseyville, Ill., was driving north along the old highway pavement, Madison police were informed.

Driving slowly while preparing to stop, Soehnlin said he noticed the boy running down the viaduct steps. When the child reached the bottom step, he ran into the path of the auto and was hit by the front bumper, Soehnlin said.

A freak accident at 1:15 p.m. Monday resulted in injury to a bicycle rider, Stewart Kutz, 55, Venice Homes, who was caught between the parked auto of Fred Kump, 111 Abbott street, Venice, and a skidding tractor-trailer operated by Woodrow P. Spake, 43 Shelby, N.C.

Rushed by ambulance to St. Elizabeth Hospital, he was treated for a scratch on the neck. The mishap occurred in front of 322 Broadway.

The youth had ridden the bicycle from Fourth street onto Broadway and was passing between the parked vehicle and the moving truck, Spake said, and when he applied the brakes of the eastbound truck as he neared the Fourth street stop sign, the trailer jackknifed.

Lake School Teacher Receives Cash Award

Mrs. Evelyn Gavin, a teacher at Lake School, was presented a \$250 check this afternoon by the Granite City Jaycees through the Granite City Association for Retarded Children.

The money is to be used to finance summer training which will complete her qualifications as a teacher for mentally retarded students. Mrs. Gavin will remain in the Granite City school system.

Making the presentation were Arthur Menendez, Lake school principal and chairman of the Jaycee committee which arranged the award, and William Coyne of the Retarded Children association.

Retractive 10-Day Suspension For Tavern

A 10-day license suspension, retroactive to June 6 and expiring tomorrow, was handed down yesterday by Mayor Davis as city liquor commissioner for the Pick & Grin Club, 1801 Spruce street, for after-hours operation on the closing date.

However, a delegation of 14 persons residing near the tavern, expressed dissatisfaction with the ruling and several indicated they plan to seek the advice of an attorney for filing an appeal.

Prior to the hearing, the residents circulated a map-petition in the neighborhood and secured about 30 signatures of individuals who requested revocation of the license because of noise from the tavern and misconduct outside the buildings.

Mayor Davis told them that if he revoked the license, the proprietor could file an appeal with the state Liquor Commission and on the basis of the appeal could reopen until a hearing is conducted. Davis said it probably would be October before such a state hearing would be held and that the tavern license expires in September.

"I don't plan to renew it," the mayor, told the Press-Record, "and I told the proprietor it wouldn't be renewed."

Appearing before the mayor during the hearing were the proprietor, Marvin Elmore, who also is listed as president of the club, Deputy Liquor Commissioner Frank Vesci, Police Chief Raymond Willard and Assistant Chief Floyd Jeff, in addition to persons in the delegation.

Kewin Kienhorst, spokesman for the delegation, told the Press-Record he planned to confer with an attorney to determine what steps could be taken to close the tavern to prevent property values from declining.

Load Causes Truck Upset

A load of aluminum shifted in a dump truck owned by the Waggoner Trucking Co. of Madison, at 10:50 a.m. today, causing the truck to overturn on County road, Venice, near the south gate of the Engineer Depot. Frank Parker, Venice driver, was unhurt and there was only slight damage to the truck, police said. Traffic, was not blocked.

Snowshoes first were produced commercially at Norway, Maine, in 1862.

Burglary, 3 Thefts Reported this Week

A service station burglary and three thefts were reported by local police this week, the thefts consisting of items taken from two parked automobiles and a building.

Harper and Dew's service station at 15th and State streets was entered Monday night or Tuesday morning by burglars who ripped a pay telephone from the wall and carried it away. A cigarette lighter was broken into and an undetermined amount of

cigarettes and coins taken. An unsuccessful attempt was made to pry into a soda pop machine, police said. Entrance was gained by prying open the front door.

Theft From Locked Trunk

A spare tire, wheel and jack valued at a total of \$40 were taken from the trunk of the parked auto of James Freeman, 918 Webster street, at his home early Tuesday, he notified Madison police. The thief broke the trunk lock.

Miss Nancy Harris, who occupies an apartment at 1208 Niedringhaus avenue, told police Wednesday that two blue suit-

cases were taken from the basement of the building during the night. She had placed them there Tuesday evening.

The theft of four spinner type hub caps from an auto on the Granite City Auto Sales Co. lot at 3318 Nameoki road was reported Wednesday to police.

Truck Hits Parked Car

John Stanton, 25, of 2101 East 23rd street, lost control of a truck he was driving Monday afternoon in the 2400 block of Adams street, and the vehicle struck the rear of a parked car owned by Lyle Howell, of 2444 Adams street. It was reported by police.

Rear-End Collision

Autos driven by Robert A. Cashen, 29, of Collinsville, and Billy O. Ross, 17, of 2261 Iowa street, were involved in a minor accident at Benton and 20th street Monday afternoon. Police said there was no damage to either car.

Democrats Attend State Fall Campaign Meeting

Quart-Cityans in Springfield Tuesday to help map plans for the fall Democratic campaign were County Chairman Walter Simmons of Venice, Granite City Chairman Richard Allen, Venice Township Chairman Christ Cote-off, Robert Gibson, state Young Democrats chairman, and Mrs.

Ila Dant, Mrs. Lois Weeks, William M. Ebersold, John Haynes Henry McMullen, Horace Calvo and William Thomas.

The group conferred with John Bailey, national party chairman; Mrs. Margaret Price, national co-chairman; James Ronan, state chairman; Joseph Knight, state party treasurer; Mayor Daley of Chicago; and Cong. Sidney Yates, Senate candidate. About

800 attended a luncheon and 1400 were at a dinner Tuesday evening.

Michael Range Improving; Birthday In Hospital

Michael Range, 13, son of Mr. and Mrs. Leroy Range of 2436 Grand avenue, is improving at ST. Mary's Hospital in East St. Louis, where he has been hospitalized since injured in a fall June 6.

Mrs. Range said yesterday tubes have been removed from the boy's collapsed lung, and he is expected to be able to sit up soon. She said Tuesday is his birthday and he would appreciate cards from his friends. His room is 114.

The Range boy received fractured ribs, a punctured lung and other injuries when he fell from a tree at Cahokia Mounds state park. He was on an outing with several other boys at the time.

University's Alton center. Registration will be from 1-1:30 p. m. in Room-1, Annex A. The two-hour weekly sessions, scheduled Tuesdays from 1 to 3 p. m., will be taught by Cameron W. Meredith, author, consultant, television lecturer and head of the university's education division.

The course, open to parents interested in learning effective ways of changing their behavior as they interact with children, is designed to help parents understand why children behave the way they do and to improve family relationships.

Alt-Wood Keeps Lead In Slow Pitch League With 14-0 Win Over Delmar

Alt-Wood Fuel crushed Club Delmar 14-0 to maintain its lead in the 35-Plus Slow Pitch Softball league at Wilson Park Monday night, and Trust and Savings Bank rallied over VFW Post 1300 by a 17-5 score.

Alt-Wood collected 19 hits off Club Delmar's Ray Lowell, while winning pitcher Paul Thompson held the losers to seven. Big inning for the league leaders was the fourth, when they scored 11 runs on 11 hits.

Trust Bank batters walloped 26 hits in the second contest, while the losing VFW team managed 13 hits off winning pitcher Steve Hordecky. The victors scored in every inning except the

first, adding a final seven runs in their half of the sixth. Monday's action leaves Alt-Wood riding high at the top of the league with three wins and no defeats, while each of the other teams has an identical record of one win and two losses.

Leading the Alt-Wood attack was Boyd McConnells with four for four, including a triple. He Bauer also hit safely in four trips to the plate, and Glen Wolfe and Bill Tulka each had a triple.

Rudy Elmore smashed a three-bagger for Club Delmar, and Martin Cavar had a double. Roger Bowler led Trust Bank slugging with a triple and double, while Russell Lockhart also contributed a triple.

Paikus and John Allen each hit a double. Sy Walker had a triple for the losers, with Al Knuckstedt walloping a two-base hit.

Dance Classes Set At YMCA; Registration Going On Now

Registration is now being conducted at the YMCA for a 10-week dancing course for high school students, with instruction to be given in cha-cha-cha, jitterbug, shag, waltz, continental, fox trot, twist and others.

The program, sponsored by the "Y" teenage department, will consist of one-hour sessions for 10 consecutive Friday nights, beginning June 29. Each session will begin at 7 p. m. in the "Y" auditorium.

Instructors for the course will be Brian and Martha Bronnman of the Capti dance studio. The Bronnmans have taught similar classes for the Alt-Wood YWCA, the St. Louis YMCA, the Girl Scout Association at Belleville, Scott Air Force Base and other organizations.

Local young people wishing to take the course may register with Mrs. Marie Spengler at the "Y." Cost is \$4 if paid in advance, or \$4.50 if paid the night of the first class.

In addition to dance instruction, the classes will feature entertainment by area disc jockeys and amateur performers. The classes will precede regular Friday night jukebox dances to be held throughout the summer.

A similar program for adults, featuring a six-week course, beginning June 27, with instruction to be given each Wednesday from 7:30 to 8:30 p. m., also is planned. Further information is available at the YMCA office.

Summer Recreation Program Includes Varied Tourneys, Special Events

A complete schedule of events for the Granite City park district's summer recreation program—ranging from movies to a freestyle contest—has been announced by Mrs. Helen Bjorkman, director.

Beginning with newspaper costume contests at each of the seven centers this week, special events are scheduled for every week through Aug. 5. In addition, five tournaments are planned.

Special events planned include a doll festival, "dress-up day," paperback book exchange, tie-dyeing and scrapbook and snapshot displays. Tournaments will be conducted in horseshoes, marbles and jacks, bowling, checkers and rope jumping.

Highlighting the annual summer program during the final week will be the recreation picnic supper and entertainment conducted at each of the seven playground centers.

Insurance Adds To Pleasure Of Boating

(Third of a series)
General and canal locks hazards, discussed previously, are recognized by boat operators. Still another danger is not as apparent or obvious—lack of giving insurance.

Not many a motorist would back his car out of his driveway without knowing that it was fully insured. Yet, unfortunately, many of the same people use a boat year after year without giving insurance a second thought.

Boating topics are gaining increasing interest in this area because hundreds of Quad-Cityans now own vessels of varying sizes, some taking only weekend excursions but others spending much of their leisure time aboard.

Boat owners without insurance or not sure what their insurance covers are being advised to investigate the subject more thoroughly.

Two Major Types
Basically, boat insurance needs to cover two contingencies—damage or injury that the individual's boat may cause others, and damage or injury that he may suffer himself.

The first type is referred to as bodily injury and property damage liability insurance. Many boatmen are automatically covered for this under personal liability and home owner policies. But, unless sure, it is considered

wise to check with the insurance man. If an individual is not covered, a special boat owner's policy is available.

The owner also should carry adequate insurance on his boat to protect against fire, theft, collision, sinking, stranding and loss of motor or outboard.

These perils are covered in the all-risk or all-comprehensive coverage—the type most frequently purchased by boat owners.

Other types of lesser coverage also are available. Some insurance policies carry a deductible clause, with the owner paying for damages that do not exceed a certain amount, usually from \$25 to \$100. This clause brings reduced premium costs.

Depreciation Factor
Depreciation must be taken into consideration when insuring boating equipment. In the event of loss, insurance companies will pay only the actual cost of repairing or replacing the equipment. The owner will be money ahead if, when he renews his policy each year, he insures his equipment for its current book value.

Insurance is a detailed and sometimes confusing subject that is best discussed by a qualified insurance representative. To make sure they are adequately covered, boat owners need only to call one of the local insurance agencies.

Spaulding 2nd Twice, In 1st National Midget Races

With Spaulding, Granite City stock car racing driver, made a spectacular showing in his first NASCAR-sponsored Springfield Monday night, finishing second in each of the two events entered.

Spaulding, who lives at 4027 Garden lane, is well known to local auto racing fans as a modified stock driver. His initial outing with the national association was in the midget classification.

The local speedster turned the Springfield track at 13.92 seconds in his fastest run, and led in both the 35-lap event and the 15-lap heat before dropping to second at the finish.

Spaulding was commended over the track public address system for his first-time showing by Jimmie Davies, NASCAR champion. Davies told the crowd he drove for a year before placing as well as Spaulding did his first night.

A number of local racing fans drove to Springfield to see the Granite City driver perform in the stepped-up competition.

Pirates To Conduct Troyout Camp Next Week At Troy Park

A professional baseball try-out camp will be conducted Wednesday and Thursday, June 20 and 21, at the Troy baseball park by the Pittsburgh Pirates.

Workouts are scheduled to begin at 9 a. m. both days, with Pirate scouts Joe Grace and Paul Trentak to conduct the camp.

Players participating must be at least 16 years of age, the scouts have announced, and American Legion players must have written permission from their coaches before taking part.

Local Cheerleaders

At Training Session

A special session for sponsors will be a feature of the ninth annual summer cheerleader school which started Monday on the Illinois State Normal University campus at Normal.

Sponsors will attend classes and watch demonstrations during the second week, June 17-22 of the three separate weeks of the clinic. Granite High school students selected to take part in the school are Marilyn O'Neil and Jo Ann Fasick.

More than 300 high school and college cheerleaders from 70 different schools are enrolled for each of the three sessions. The students and sponsors pay all costs of the school, while the university provides the facilities and administrative supervision.

Dr. Eugene Hill, ISNU professor of physical education, directs the school, which was established as a result of requests from high school and other administrators. Class and clinic sessions are directed by 13 instructors each week.

Instructors are provided by the National Cheerleaders Association, with staff members present from Illinois, Indiana, Missouri, Ohio, Oklahoma and Texas.

Sportsmanship and crowd control are emphasized throughout the instruction as well as cheerleading techniques, pep rallies, beginning stunts and tumbling and novelty yells and songs.

Minor Accident
A minor accident occurred Monday afternoon when a car driven by Edward R. Martin, 66, of 2607 Hodges avenue, struck a parked car owned by Larry D. Ryan, 21, of 2288 Washington avenue, at 23rd street and Washington, police reported.

The Downstate Fisherman

By PETE BROWN

(Compiled by the Southern Illinois University Information Service from area reports)

Channel catfish have started moving at Lake Murphysboro, catpaw worms are out, and the combination of events has produced some lively action at the lake during the past week.

Ted Seifert of Murphysboro gets credit for the week's top catch, a 13-pound forklift on a catpaw worm. Glen Garner, Murphysboro, hooked a 10-pounder on a flyrod and five-pounders were caught by Richard Nausley of Vesperus, Ray Benson, Salem, and Ed Kelsey, Murphysboro.

Murphy blugill and freckle fishing is holding at a respectable pace, too. Gene Lyarla caught 60 and the week produced several strings of 30 and 40.

The pulse of Devil's Kitchen Lake beats ever slower; fishing is just fair, fishing pressure is slight. The blugill run has dropped off considerably and bass results have been spotty.

Two St. Louis fishermen, George Rose and Fred Zimmerman, boated seven pounders to share Little Grassy Lake lure with C. W. Dawson, one of the Makanda regulars. Bass in the four to five pound category were taken by Jug Schinner, New Athens; John Jackson, Carbondale; D. Magus, Chester;

Bill Robinson, St. Louis, and Austin Sweet, Martinsville. Catches have come on a wide variety of plugs. Mrs. John Wright of Carbondale latched on to a one and three-quarter pound blugill.

Veteran Crab Orchard fishermen Bill Watson, Harry Rice, Al Peithman, Charles Friedling and Nick Masters all have stirred up some action from long-dormant bass during the week.

Paul Maloney of Carbondale managed a four and one-half pounder casting from his pontoon boat. Watson's six and one-half pounder was tops on the dock record.

Down south, the hottest property at the moment is the Cache Creek cutoff below Mounds. The water level is perfect, the scenery is at its eye-filling best and the fishing is excellent. Crappie and blugill are smashing away at the ever popular Bucktail Whiz and once in awhile a bass does the same thing.

Pounds Hollow Lake has slackened off after a brisk run of bass and blugill. The lake is almost crystal clear. Crappie fishermen have reported some good catches on the Ohio near Elizabethtown.

Mercer Needs Win Sunday To Hold 3rd Place; Hearts Meet Winless Troy Redbirds

Mercer Funeral Home will have a chance to take over undisputed possession of third place in the Blue division, while Sacred Heart could tighten its hold on second place in the Red division in Inter-City Baseball league competition Sunday.

Mercer, with a 4-3 record, currently is tied with Carpenter, its Sunday opposition here, for the third-place slot in the standings. Both are two games behind division-leading McAttee Glass, with a 6-1 record, and one game behind second-place Pocahontas, which is 5-2 for the season.

Sacred Heart, three games behind the undefeated Moose Lodge team from East St. Louis, is two games ahead of third-place Maryville in the Red division. The Hearts will be on the road to meet winless Troy Sunday afternoon.

In other league competition, last-place Roxana takes on McAttee in the Blue division and the league-leading Moose meet fourth-place Collinsville in the Red division. Maryville and Pocahontas will cross division lines for a contest at Maryville.

Mercer will have the home team advantage in the game with Roxana, a tilt which is set for 2:30 p. m. Sunday in Wilson Park. Sacred Heart will meet Troy on the Redbirds' home territory, Moonlight Diamond. Time of that game also is 2:30. In earlier league games, Mercer lost to Carpenter by a close 3-1 margin in a game away, while Sacred Heart beat Troy 7-4 at Wilson Park.

Park District's Summer Sports Camps To Begin Next Week

Summer sports camps have been scheduled by the Granite City park district for next week and again the week of June 25, with approximately 40 boys and girls registered to take part.

Harold Brown, superintendent of parks and recreation, said youngsters aged eight through 12 may still register. A boys' camp will be conducted next week, while the girls will camp the following week.

Six one-week camp sessions originally were planned. Brown said, to run through July 27. He added that at least 15 children must be registered each week to make a camp successful.

A \$10 fee will be charged for the week, to cover costs of supervised activities, noon meals and a camp tee shirt.

The betrothal and forthcoming marriage of Miss Joyce Lynn Laxson of Marshall, Mo., and Dwain Hall of this city was announced this week by the bride-elect's parents, Mr. and Mrs. Paul Laxson of Marshall.

The prospective bridegroom is a son of Mr. and Mrs. Elbert Cochran, who reside at 3005 Myrtle avenue.

Miss Laxson was graduated from the Marshall high school in 1958. Her fiancé, a Granite City high school alumnus, will start his junior year at Missouri Valley College next term. Mr. Hall spent three years of active duty with the Marine Corps.

The newly-engaged couple plans to be married July 14, at the Marshall Christian Church.

Past Presidents Of VFW Meet

The Past Presidents Club of the VFW Auxiliary held a one o'clock luncheon Tuesday afternoon at the Rose Bowl restaurant.

A brief business session was conducted by the president, Mrs. Shirley Yates with the remainder of the afternoon spent at games.
Those who excelled and received prizes were Mrs. Clara Conaway, first prize, Mrs. Yates, second, Mrs. Irene Hendricks, third, and Mrs. Ethel Petri, fourth.

The club plans to hold its next get-together July 10 at the Rose Bowl.

RETURN FROM TOUR

Mr. and Mrs. Jerome Johnson and children, Lisa and Jerome Jr., 2426 Lincoln avenue arrived home this week following an eight-day motorizing holiday. The family traveled through ten southern and southwestern states, viewing historic locations. They stayed briefly in Jacksonville, Fla., and in the Smoky Mountain area of Tennessee.

Turkey Growers To Vote In Nationwide Referendum

Turkey producer-growers and contract producers who are eligible to vote in the nationwide referendum June 18-22 on the proposed turkey marketing order produced approximately 104 million turkeys, or about 96% of the

record 1961 output of 108 million birds, according to Edwin C. Rehmeier, Chairman, Agricultural Stabilization and Conservation Madison County Committee. These growers, Rehmeier pointed out, are eligible to vote for or against the marketing order formulated by the turkey industry to help obtain fair prices for producers and consumers.

and to avoid future disastrous price situations such as that which resulted from overproduction in 1961. Small producers—those who marketed not more than 3600 pounds (liveweight) of turkeys in 1961—are not directly affected by the order, and do not vote in the referendum. Rehmeier explained.

THURSDAY, JUNE 17, 1837

Granite City goes on the air next Tuesday officially when the federal license for a new police radio system is expected to become effective. Receipt of the permit is the only remaining obstacle.

Meanwhile, the two-way sets are being used daily in police work under a special federal order which provides a 10-day period for testing.

A drive against traffic law violators in Madison is continuing with unabated energy in an effort to reduce the number of accidents and injuries occurring in the village. County Sheriff, who has issued new orders to his men to be especially on the alert for speeders and boulevard jumpers.

After pursuing a hit-and-run motorist for several miles, George Channing, 1029 Olive street, was forced to turn back when the man drew a revolver and said, "Beat it."

Joseph A. Sporic, 2067 Fourteenth street, has been awarded sophomore honors by the faculty of the schools of engineering and architecture at Washington University in St. Louis for excellence in scholarship during his freshman and sophomore years.

For the second consecutive year, the five-man pistol team of the State Highway Patrol, District No. 11, which includes Charles Bernick of Granite City, won first place in the state police championship competition Monday and Tuesday in Springfield.

A public installation of recently-elected officers of the Daughters was held in the Masonic Temple, with five past-honored guests in attendance. The officers were: Miss Nellie Voelger, installing officer; Miss Nina Hoff, Traffic guide; Mrs. Faith Wiese, marshal; Miss Alice Voelger, chaplain; Miss Pauline Cook, clerk. Others assisting were Miss Mary Allen Tait, installing recorder; and Miss Betty Cripe, custodian.

Officers installed were Edith Barnhart, honored guest; Edith Wilson, senior princess; Virginia Faulkner, junior princess; Fay Reid, guide; Mrs. Edith Reid, marshal; Melba Thies, recorder; Betty Lampe, treasurer; Edna Lowe, librarian; George Voelger, treasurer; musician; Stan Stuebner, chaplain; Geraldine Mergen, first messenger; Florence Hult, second messenger; June Holt, third messenger; Kathleen Sullivan, fourth messenger; Florentine Nelson, fifth messenger; Betty Lou Windsor, senior custodian; Winifred Bodman, junior custodian; Jewel Davis, lower call and view; and Virginia Massey, outer guard.

Summer Pollution-Drainage Election Would Not Give All Residents A Chance To Vote

It would be unfortunate if the election on Granite City's pollution-drainage program, a project based on Citizens' Committee recommendations, was set for July or August. This would deprive many residents of a chance to vote on the proposal, of a chance to participate in the decision.

Experience has shown that summer elections are notorious for eliciting small turnouts. There are simply too many people out of town for many interested organizations that do not hold summer meetings. Parent groups, vitally concerned with the community's future welfare, are among those in recess during the summer.

In addition to the many vacations and visits of this season, there would be less time for all to become thoroughly acquainted with the election details and related factors. An early election call undoubtedly would be interpreted by many as a demonstration that some do not want the matter to be decided fairly and factually.

Solution For State—Dollar Bills, Not Spending Bills

Time was when people could depend upon tried and true phrases, such as the one used when they called a bill "a dollar bill," but now it is a "3 bill." Now, it develops that references to such currency are as phony as, say, as phony as a \$4 bill.

Quad-City school children visiting the state capitol in Springfield this year have an opportunity to view historical exhibits, including a display of old and new money in the reception room of the office of State Treasurer Francis S. Lorenz.

It is an interesting exhibit, considering that in 1835, Washington, D. C., in 1852, Somerset, Md., in 1862 and New Brunswick, N. J., in 1900.

Another Springfield topic adds to the belief that it would be better to avoid entirely all trite sayings, time honored though they may be. With the Illinois treasury hard-pressed to meet all of the state's commitments, there has been talk of pairing the budget for the state fair, which features judging of livestock and similar farm entries as well as races, entertainment and other events.

We can see why some are concerned about the fair's deficit, for which \$2,661,000 was appropriated in the current biennium, but are not so sure an Illinois Agriculture Association official made the best choice of words in labeling the fair a "sacred cow."

When the state ought to open up the glass-enclosed display of currency, which includes \$50 and \$100 bills, to help finance the fair, cows and all.

Local Members Leading Or Aiding Two-Thirds Of County Board Committees

The 12 Quad-City legislators represent only a fraction, but far from an insignificant portion, of the 49-member Madison County Board of Supervisors. In fulfilling their countywide duties as township representatives, they are rendering active service in a variety of fields.

Namekio Supervisor Briggs heads both the legislation and county officials' committees. Chousu Supervisor Eshels heads the emergency committee. Granite City Supervisor Hagnauer heads the tax and delinquent tax committee. Venice Supervisor Moore directs post-war planning. Venice Assistant Supervisor Eshels heads the emergency committee. Granite City Assistant Supervisor Webb is juvenile home chairman and Namekio Asst. Supervisor Werner leads the nursing home committee.

Each of these officials has other assignments, and many of them are also members of the county board. With the many chairmanships, plus local representation on finance, judiciary, jail, right-of-way, sanitation, liquor license, county relief, rabies control and rules committees, Quad-Cityans are participating in more than two-thirds of the study groups which help develop laws and policies of the county government.

Active Service By Avery Carp Will Leave Lasting Imprint On Local Community

The life of Avery Carp, blending energetic and imaginative civic service with a business career, will leave a lasting imprint on the Quad-Cities.

Either individually or with others, he was responsible for establishment of the Jewish Federation of Southern Illinois, annual Quad-City Achievement Award, 19th Street Improvement Association and later the Associated Retailers, Civic Development Council, Commercial club, yearly Halloween parades, Tri-Cities Chamber of Commerce, Granite City Rotary club and the National Conference of Christians and Jews in Southern Illinois.

Outside this community, he helped found the NCCJ group in St. Louis and the war veterans' rehabilitation center there, and helped lead a successful campaign for election of a managerial government in St. Louis. When these activities are added to his long association to the local Boy Scout council and to Madison county war bond drive, plus other instances of philanthropy and unselfish service, his unusually wide range of effective service becomes apparent.

It was fortunate that Mr. Carp was honored during the Civic Award banquet in April for some of his community contributions. It was even more fortunate that, despite his illness, he was able to appear in person to receive the special citation.

Country Club Links Area With Direction In Which Quad-Cities Are Growing

Beautiful Sunset Hills Country club, nestled in rolling land of the former Rowekamp home, is an asset to Madison county and serves as a link between the Quad-Cities and the nearby bluff area toward which this community is growing.

The peaceful, scenic vistas presented pictorially in a new golf, fishing, and swimming and many other activities. At a time when much of the open terrain in other parts of the Illinois Metropolitan Area is being paved or covered by buildings, the Sunset Hills tract provides a pleasant contrast that recalls the early years of local history, when farmland, spacious pastures and wooded sections predominated.

Farm Column

Madison County Farm Advisor

Farmers who are planning to buy feeder pigs will want to follow six general guides in making their selection. Quite a number of Madison county farmers have been buying feeder pigs. Here are some suggestions:

- (1) Look for sleek-haired, thrifty pigs.
- (2) Pigs should weigh at least 35 pounds at eight weeks of age and at least 40 pounds at 10 weeks of age.
- (3) They should have correct type and stretch.
- (4) Look for castrated boar pigs that are smoothly bearded.
- (5) Buy pigs that have been vaccinated for cholera and erysipelas.
- (6) Plan to buy from organized health-inspected feeder pig sales, boys' life feeder pig producers or reputable licensed dealers.
- (7) Avoid unthrifted pigs, small piglets under 30 pounds, crippled or deformed pigs or those that have mange, lice or pig pox.
- (8) Consider details for selecting, feeding and managing feeder pigs are given in a new leaflet prepared by T. R. Greshouse, University of Illinois livestock extension specialist. Copies are available from the farm adviser's office.

Although dairymen can't see the hazards of the rough road for high-producing cows, there may be a place for it on some of their farms. A few fields of winter oats that survived the winter and some spring oats will be used for silage.

There are at least three reasons for considering oat silage in the roughage program. The first reason is that oat silage yields higher returns as silage than when harvested for grain.

Second, winter oats are removed as silage legumes have a better chance of developing. Another reason is that oat silage can be stored and used to supplement short pasture in the middle of the summer.

Oats should be harvested for silage when the kernels are in the late milk or early dough stage. The best way to chop the material finely and to use a silo distributor when filling the silo. Oat silage must be stored in a silo.

Dairy cattle on oat silage should have free access to good hay. The oat silage should be supplemented with good hay and a small amount of hay when receiving oat silage. They apparently will eat oat silage as well as either corn silage or alfalfa silage. However, oat silage can still make a valuable supplement for short pastures and, in a dry season, can even be valuable.

Feedings help do well on oat silage. Their energy requirement is not as high as for corn silage, but they will eat a cow producing large quantities of milk.

INTEREST IN HIRING YOUTHS IS ENCOURAGING

The interest and enthusiasm of approximately 600 private and public organizations at the Conference on Employment of Youth last week, was encouraging.

The conference was held to emphasize to these community leaders the growing need for jobs for the young people. The purpose of the conference was to establish a coordinated program to encourage the employment of youth.

Future Good Be Gloomy

Authoritative speakers outlined a gloomy picture for the future, basing their opinions on known facts and statistics, if a program is not formulated.

These speakers included W. Willard Wirtz, under secretary of the U. S. Department of Labor; N. S. Hastings, under secretary of the U. S. Department of Health, Education and Welfare; and J. Edgar Hoover, director of the Federal Bureau of Investigation.

Samuel C. Bernstein, manpower development and training coordinator and assistant director of labor, in his speech declared that "youth in Illinois are losing their jobs annually in Illinois because of automation."

He said: "Jobs are fast disappearing from the American scene."

"Automation has moved into many, many industries and threatens to turn our blessings of abundance into a curse for hundreds of thousands who are finding themselves with jobs

FOOD POISONING COMMON IN SUMMER

The approaching hot weather will bring with it a wave of food poisoning, an inflammation of the lining of the stomach and intestines. The disease, discomforting but seldom fatal, is usually caused by food poisoning.

Outbreaks may occur at any time of the year, but are more common at social events at which large groups are served meals prepared well in advance and kept for several hours.

Picnics and dining at innkeepers roadside stands are additional hazards in the summer. Insufficient cooking, improper refrigeration, lack of cleanliness in food handling, and the use of food which is past its prime may be responsible. Certain types of food, such as custards, salads and meats, are fertile ground for the development of bacteria. The organisms responsible for gastroenteritis. Allergy to certain foods also may result in so-called "stomach upsets."

SOCIETY Golden Circle Plans Summer Tours, Dinner

The Golden Circle of Kirkpatrick Homes met in the recreation hall Tuesday afternoon with President Ben Olive conducting a business session. Summer plans were discussed with the group tentatively scheduling a trip by chartered bus to the state fair in Springfield and a tour of Grant's Farm in St. Louis county. It was decided to hold the final pot luck supper of the season at Wilson Park on June 26 after which, the circle will adjourn formal meetings until fall. Refreshments were served to 26 members present.

MOOSE LODGE MEMBERS VISIT MOOSEHEART
Mooseheart, "The Child City," located near Aurora, Ill., was visited by 42 members of the local Moose Lodge 272 and Women of the Moose, Chapter 247, this week, in observance of "Illinois Day." An impressive program was presented by the all-girl drum and bugle corps, and the National Defense Cadet Corps, whose participants are older boys and girls residing at Mooseheart. Among the local officers and their wives attending were Mr. and Mrs. Milton Worthen, Mr. and Mrs. Erwin Anderson, Mr. and Mrs. Otto Knipping, Mr. and Mrs. Fred Frame, and Mr. and Mrs. Harry Oberlin.

Eagles Auxiliary Plans Attendance At Convention

Mrs. Florida Batson, newly installed president of the Eagles Auxiliary 1126 presided at the regular meeting of the auxiliary Tuesday evening at the Aerie Home. Mrs. Angie Buehler, secretary, gave the semi-annual report and convention plans were completed. Delegates from the local auxiliary who will attend the state convention, June 22, 23 and 24, slated for Joliet, are Mrs. Batson, Mrs. Juanita Blevins, Mrs. Buehler and Mrs. Sylvia Roy.

Various money-making plans were discussed to finance the group's charitable projects, with Mrs. Margie Hall appointed chairman of a pillowcase social. Other projects for later this summer include a rummage sale with Mrs. Batson and Mrs. Blevins serving as co-chairmen. Plans for a Father's Day program, this week were made at which the auxiliary will serve a 6:30 p. m. dinner for the Aerie members. Mrs. Batson announced her new committee chairmen as Mrs. Dolores Klesh, members; Mrs. Blevins, delinquent; Mrs. Buehler, memorial fund; Mrs. Helen Lipchik, rhinoceros; Mrs. Bernice Johannek, minister; visiting; Mrs. Mary Brominski and Mrs. Kathryn Clark, ways and means; and Mrs. Helen Prengel, publicity. In a special ceremony, Mrs. Blevins, junior past president, was escorted to the altar and presented with her past president's plaque. During the social hour which followed, members were entertained with a preview session of the "Eaglesires," a recently formed kitchen band, which has been invited to perform at the Aerie state convention, this weekend in Alton.

Refreshments were served by Mrs. Janet Cross and Mrs. Florence Hagauer, and the prize of the evening was awarded to Mrs. Eva Berry.

St. Joseph Altar Society Plans Summer Festival

St. Ann's Altar Society of St. Joseph's Catholic Church met at the church, Tuesday evening for the regular June meeting, with Mrs. Ida Wheatley, president in charge. Most of the time was spent completing plans for the annual "summer festival" to be sponsored by the society in July. The remainder of the evening was social with games and prizes won by Mrs. Grace Range, Mrs. Mary Pastin, Mrs. Agnes Nameli, Mrs. Florence Byrnes and Miss Teresa Kraus. Refreshments were served to 18 members by the hostesses, Mrs. Kathleen Beljanski and Mrs. Lily Weston.

The society will next meet July 10, with ladies from Madison and Grand avenues area serving as hostesses.

Pythian Sisters Set Fish Fry

Cascade Temple 216 of the Pythian Sisters held their regular June meeting, Tuesday evening at the IOOF hall with approximately 30 attending. Mrs. Eva Arbogast, most excellent chef, presided during the business session, and a report was given by Mrs. Linda Schillingman, district deputy. Plans were completed for a fish fry to be held tomorrow and Saturday at the Belleme Village Shopping Center, starting in the morning hours and continuing all day. Following the business, the group adjourned to the dining room for a social hour with the Brother Knights entertaining the ladies. The next regular meeting was scheduled for June 26.

DUV Tent 92 To Attend Convention

Local members of Aunt Betty Young, Tent 92 Daughters of Union Veterans of the Civil War, who will attend the 88th annual convention in Springfield this coming weekend include Mrs. Irma Taylor, Department of Illinois president; Mrs. Edna Hoyer, state secretary; Mrs. Louise Thompson, Mrs. Violet Kassebaum, Mrs. Irene Hays, Miss Florence Koester, Mrs. Joyce Powderly and Mrs. Grace Bourbon. The group plans to return home Sunday.

QUILTING SESSION AT ST. JOSEPH'S CHURCH

Ladies of St. Joseph's Catholic Church are meeting today at the church for an all-day quilting session with Mrs. Florence Byrnes and Mrs. Elizabeth Meheik in charge. Other women of the parish are invited to join the group each Thursday, between the hours of 8:30 a.m. to 4:30 p.m.

SIU Offers Marriage Counseling Workshop

A marriage counseling workshop is being offered this summer by Southern Illinois University at its Alton center. Consisting of lectures, case discussions and personal supervision of case analysis, the workshop will be directed by Dr. Donald Taylor, associate professor in the Social Sciences Division. According to Taylor, the workshop is designed for those actively engaged in counseling or preparing to do counseling as a part of their professional practice and will have representatives from various professions leading the discussions and the case analyses. Offering three hours of course work credit on the senior class level, the workshop will begin June 18 and run through July 13, meeting Monday through Thursday from 1 p.m. to 4 p.m.

10-Point Basis For

Arion Music Award Here

James LeGrand, 14, a ninth grade student at Coolidge Junior high school and 1962 recipient of the Arion Foundation music award, presented by the director of the Coolidge band, Robert D.

Todoroff, has been certified by the national organization as qualified on the basis of ten standards of judging. He is the son of Mr. and Mrs. Elvis LeGrand, 1616 Wilson avenue. The award is presented each year for outstanding musical achievement to the graduating ninth grade student who best qualifies according to the ten-point basis of judgement established by the foundation.

He is the first chair flute player in the concert band and was awarded a lapel pin for his achievement. He also has received a certificate of award for his work in the Latin-American ensemble.

An honor student for the past three years, he is active in church work and is a member of the Demolays. His hobbies include collecting classical records and engaging in various sports to local residents who wish the

service. For an inclusive fee of \$3, Roca members will wash the family car, mow the lawn and wash all first floor windows on the outside. Persons wishing the work day service may call Tom Mitchell, TRIANGLE 7-2803.

In addition to the summer program, the club is holding a fish fry tomorrow and Saturday on the A & P parking lot, open to the public. Proceeds will go to support Roca activities. Six new members were initiated into the group Tuesday night. They are William Hayes, Maurice Lambert, Richard Reutbuch, Terry Young, Larry Anderson and Gerald Hufurly.

County Sales Tax Income \$358,000 In 30 Months

Madison county will receive \$12,983 in sales tax revenue on March 1962 liability, Miss Eulalia Hotz, county clerk, has been advised by Theodore J. Isaacs, Illinois Department of Revenue director.

The net total of \$13,524 consisted of \$13,482 collected under the county Retailers' Occupation Tax and \$42 paid under the county Service Occupation Tax. From this, \$540 or 4% was deducted for administrative costs.

"Because of the number of court orders pending at the present time, all protest payments are being deducted and will be released by the state treasurer in accordance with court decisions," Isaacs said.

The latest payment increases to \$24,388 the amount received by the county treasury from sales tax for 1962, and to \$358,531 the total returned from Springfield since the county authorized the half-cent-a-dollar tax Oct. 1, 1959.

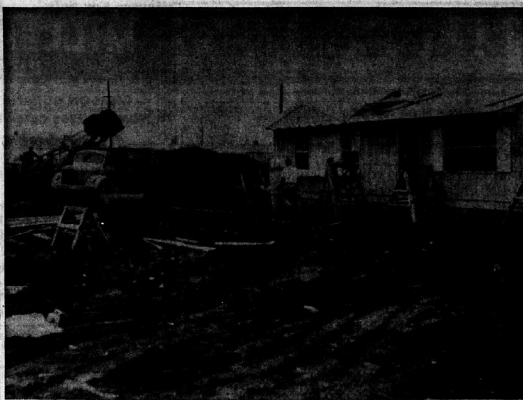

Registration Revised
"With the passage of the Service Occupation Tax bill and others which broadened the base of the Retailers' Occupation Tax, it has been deemed necessary to re-register all taxpayers and to classify according to their principal business activity; that is, the one which accounted for the largest percent of their total receipts," Isaacs has explained.

"Returns filed starting with the month of January 1962 tax liability were all processed according to the classification under this re-registration, and this has resulted in considerable shifting from one group to another."

"Our monthly kind of Business reports included Retailers' Occupation Tax, Use Tax and Service Occupation Tax since Aug. 1, 1961. There was also a rate change July 1, 1961. Therefore, the reports as issued from July 1, 1961, are not comparable, because of the change in base and rate, with a corresponding period in 1960."

"Reports from Jan. 1, 1962 cannot be compared by group classifications because of the shift, and Use Tax was excluded beginning with that report."

"Use Tax is being excluded so

Three Automobile Fires In GC Cause \$925 Loss

Three automobile fires in Granite City, one early Tuesday morning, and the others Monday afternoon and evening, caused a total estimated loss of \$925. One man took his fire to the fire station to have it extinguished.

"The biggest loss was to a 1957 convertible owned by David Moser, 21, of 3001 Iowa street. The estimated value was \$850. It was a total loss, firemen said Tuesday morning.

The cause of the blaze is being investigated. The car had not been used for several hours and was parked across the street from the Moser home.

Members of the family were not aware of the blaze until firemen came to their door and aroused them from bed. The fire had been noticed by a passing motorist who reported it to patrolmen in a police car.

Edward Bodman, 26, of 2627 Delmar avenue, was driving his

auto in Granite City Monday evening when the wiring caught fire. He drove the vehicle to the nearby fire station, 23rd street and Madison avenue, where firemen extinguished the blaze. It is believed a wire was short circuited by rain. The loss was estimated at about \$50.

Monday afternoon a carburetor jackfire caused a blaze under the hood of a car owned by Jack Hamilton, of 1715 Edison avenue. Damage amounted to about \$25. The fire occurred in the 2700 block of Madison avenue.

Kraft III. Delegate To U.S. Library Institute

Mr. and Mrs. Richard D. Kraft, 69 Riviera drive, will attend a library conference institute for library trustees Saturday and Sunday in Miami Beach, Fla., sponsored by the American Library Trustees Association. There will be "Measuring Up the Expanding Dimensions of Library Service."

Kraft is the Illinois representative to the institute, which will precede the 81st annual conference of the American Library Association. The ALTA is a division of the library association. A selected group of 250 will explore such questions as the following: How do you rate as a trustee? As a trustee, how would you rate your library? Can trustees measure the quality of library service available to their communities? What is the role of the trustee in improving and expanding library service?

Keynote speaker will be Mrs. Weldon Lynch, ALTA president, and the principal talk will be by delesses P. Morrison, U. S. ambassador to the Organization of American States.

STUDENT BECOMES STOCKHOLDER—Norma Nash, 14, of Venice, receives a certificate for two shares of stock in Illinois Power Co. from service area manager C. E. Mathias. At left is her teacher Robert Blatter of Venice grade school and at right is R. Applegate, local promotion supervisor, who arranges company tours for students to the Wood River power plant. The company sponsors essay contests about such tours and awards stock as prizes.

4 GC Teachers, 3 Coaches Hired By School Board

Three English teachers, three coaches and an elementary teacher were employed for the 1962-63 school year by the Granite City board of education Tuesday night.

Serving as high school English teachers will be Kenneth D. Griggs, St. Louis, who is receiving a master degree from Washington University this year, and Miss Marcia Jill Hanco, Rock Island, 1962 bachelor degree from the University of Illinois.

A combination GCHS journalism and English instructor will be William Andrew Graham, Leon, Ia., 1962 bachelor degree from the University of Iowa. Robert C. Ward, Fort Lauderdale, Fla., a former Granite City, was named as Coolidge junior high school head football coach, head track coach, assistant wrestling coach and physical education teacher. He succeeds his brother-in-law, Frank Kraus, who has been appointed as assistant principal of Coolidge. Ward received a bachelor degree from McKendree College in 1951 and has four years of teaching and coaching experience.

GCHS Assistant Coaches
Larry Burkhardt, Route Four, Parkville, Mo., like Ward a former Granite City high school football player, was named to the combination post of physical education instructor at Lake grade school and GCHS assistant football and assistant wrestling coach. He has two years of experience and received a bachelor degree from Missouri Valley College in 1960.

Stanley Wojcik, Madison high school graduate and former football player, will be assistant football coach and social studies teacher at GCHS. He has a 1962 bachelor degree from Missouri Valley College.

Appointment of Burkhardt and Wojcik completes next year's coaching assignments with the exception of a trainer. Albert S. Lewis, social studies teacher and trainer this year, will be head football coach at GCHS in 1962-63.

Miss Bresson Returns
Miss Virginia Bresson, Alton, a former Granite City teacher who left to teach overseas last year, was employed for an unspecified elementary school position in the fall. She holds a 1958 bachelor degree from Southern Illinois University and has four years of teaching experience.

Mrs. Marlene Brandt, 2113 St. Clair avenue, was granted a leave of absence for the coming school year. She is a kindergarten teacher at Wilson school.

Resignations were accepted from Mrs. Sandra Bowler, Collinsville, Central Junior High girls' physical education teacher; Miss Joan Peters, Jennings, Mo., GCHS girls' physical education instructor, who has taken another position; Mrs. Vera Pittman, 2031 Amos avenue, third grade teacher at Mitchell school, whose husband has been transferred; and Donald Riden, 2738 Nameki road, Prather Junior high industrial arts teacher, who is entering the Army.

Venice School Girl Wins Company Stock For Essay

As a result of an educational tour to Illinois Power Company's Wood River power plant, Norma Nash, 14, daughter of Mr. and Mrs. Elmer P. Nash, of 603 Tullmore avenue, Venice, has become a part-owner of the company. A theme written about the trip she took with her class was judged the best by a girl in the entire local service area of the company.

As a winner, the company presented her two shares of common stock.

The "Granite City" service area includes much more than the Quad-Cities. It also includes the entire Collinsville, Edwardsville and Wood River communities.

The company conducts tours for the students all during the school year. Students are asked to write themes about the trip and enter them in a company-sponsored contest.

For being the area winner, Norma was presented with her stock Tuesday afternoon. At the time, the stock was listed at about \$33 a share.

The presentation was made in the Granite City office of C. E. Mathias, service area manager. He pointed out to Norma that, as a stockholder, she would have two votes in determining IPC's future policies.

She also received a letter of congratulations signed by President Allen Van Wyck. In it, he

said in part:
"Please accept my congratulations. Your theme describing your visit to our power plant has been selected as the best of all those submitted by girls from the Granite City service area of Illinois Power Co."

of hope as a stockholder of Illinois Power Co. you will gain a better understanding of how our national economy has prospered as a result of the profit-motivated economic system in America."

The theme contest is to be an annual event, Mathias said. Norma's theme now will be entered into competition with those winning in other service areas. The teacher of that winner in both a girls' and a boys' class will receive two shares of company stock.

Daughter Born To Former Granite City Resident

Mr. and Mrs. Edwin Jorgensen of Brooklyn, N. Y., are the parents of a girl, Robin Lynn, who was born June 7 at a Brooklyn hospital, weighing eight pounds and 11 ounces. Mrs. Jorgensen is the former Ruth Lewis, daughter of Mr. and Mrs. Joseph

Lewis, 2332 Lincoln avenue. The couple has one other child, a son, Dwayne, who is 18 months old.

Man Changes His Pleadings
Louis E. Jobe, 50, of 944 Niedringhaus avenue was fined \$10 and costs Monday on each count of having no driver's license and running a stop sign. An arrest ticket was issued to him Sunday after he was involved in a minor auto accident on West 20th street at Maple. He had pleaded not guilty and bond was set at \$52, but later in the day he pleaded guilty and Police Magistrate Gasparovic assessed the fines.

Ill. Power To Reduce Rate In Rural Areas

An electricity rate reduction sought by Illinois Power Co. for rural area residential customers will include about 200 in the least populated sections of the Quad-Cities area, it was announced Tuesday at the local area office.

Illinois Power Co. has filed with the Illinois Commerce Commission reductions affecting 91,568 residential electric customers living in 100 communities of 6000 population or less and in rural areas served by the company.

The reductions were arrived at after studies and conferences with the commission, and if approved, will become effective with electric service bills due on or after July 15.

Chamber of Commerce Drive Prizes Offered

A meeting will be held at the Tri-Cities Chamber of Commerce at 3:30 p. m. Friday for the captains who will lead the 12 teams totaling 72 workers in the two-day membership drive June 19 and 20, it was announced today by Chairman Robert L. Toburen.

For the three top "salesmen" who sign up the most new members, there will be prizes of \$40, \$30 and \$10 gift certificates, redeemable at the establishment of any Chamber member. In addition, any individual signing up 10 or more members will be given a \$25 gift certificate and anyone signing up five or more will get a certificate of \$10.

The team signing up the most will be treated to a steak dinner and box seats to a Cardinal baseball game. The runner-up team will get box seats to a Cardinal game. The contest will end at the wind-up breakfast.

At the meeting Friday the captains will each select 30 prospective Chamber members from a list that has been compiled. It will be the responsibility of a team to pay a personal call on each of the persons selected by the captain.

Cards on the prospective members will be distributed at a kick-off breakfast at the YMCA Tuesday, June 19, at 8 a. m. The teams will then be given the latest information and the two-day blitz will get under way. It will end with a wind-up breakfast at 8 a. m. Thursday, June 21, at the same place. At that time, results of the drive will be made known.

Good Lighting can be your best salesman

Mr. Merchant—there's showmanship in this architect's rendering. Showmanship that uses bright, dramatic, glare-free light to pull in traffic, to create enthusiasm, to build up to a sale. From the lights in the parking lot, above the sidewalk, in the display windows, to the sales counters, light puts your business and your merchandise in the best light. Scientific, modern lighting is not only your best salesman, it helps all employees do better work, day or night.

Consult your architect, lighting consultant or electric contractor about better lighting in your place of business. You'll discover good lighting can be one of the most effective, cheapest ways to boost your business.
